

Make a Splash

They come to play – and will see you during their stay.

The City of Edmonton's collection of recreation centres enriches the lives of the millions of visitors each year. Located in neighbourhoods throughout the city, these important fitness facilities provide a wealth of high-quality services ranging from swimming pools (competition and recreation), steam rooms, saunas, whirlpools, water slides, wave pools, fitness centres, registered programs, drop-in classes, and daycare.

While some facilities like Kinsmen Sports Centre attract users from across the City because of location and amenities, others serve more as a community hub attracting neighbourhood residents. We have also added advertising space in the gym at our newest facility, Terwillegar Recreation Centre. Other facilities include Bonnie Doon, Londonderry, Kinsmen Pool/Fieldhouse, ACT Centre, and Peter Hemingway.
