Tegler Discovery Zone

The John Janzen Nature Centre is home to a indoor playspace called the Tegler Discovery Zone. You may request to use this space for a portion (up to 45 min) of your birthday party.

Please Note: If you wish to use this space outside of the 2 hour programming portion of your birthday party, facility admission will apply.

When using this space, we ask that you follow these rules:

- Wear socks only! No bare feet or shoes are allowed in the Discovery Zone.
- No food or drink allowed.
- Children must be supervised at all times.
- Strollers can be parked outside the playspace entrance.
- Based on attendance, staff may limit access to the play space. This is to ensure visitor safety.

Arrival Procedures

John Janzen Nature Centre is located at 7000-143 street, next to Fort Edmonton Park. Access is via Fox Drive, just east of the Whitemud.

Please meet your interpreter at the front entrance to the John Janzen Nature Centre a few minutes prior to your program.

Early Access to Site

Depending on the other activities happening at the facility on the day of your party, you may be able to access the site 15 minutes early to bring in your supplies, food, etc. You must make the arrangements directly with your interpreter when you speak to them prior to your program.

Guest Arrival

Please note that your party may begin/end outside of our facility's regular operating hours. Please visit our website at edmonton.ca/johnjanzen to check our most up-to-date hours of operation.

Morning Parties: Guests should arrive as close to the start time as possible. The interpreter will meet guests at the front door. The facility does not open to the public until 10am, so the front door will be locked and guests will be unable to get in on their own. If possible, provide guests who will be arriving late with a contact number to reach you, so that they can be let into the facility upon arrival.

Afternoon Parties: Guests arriving at the Nature Centre should let the front desk know they are here for a birthday, and will be directed to the classroom area.

After-hours & Evening Parties: If your program begins outside of our regular hours, the facility doors will be locked upon your arrival. Your interpreter will let you in shortly before the program start time. Please advise any parents picking up their children after-hours that they will need to wait at the doors until the program end time. The facility will be locked to the public for the duration of the program.

Parking

The John Janzen Nature Centre shares a free parking lot with Fort Edmonton

Frequently Asked Questions

1) What happens if I need to end the program before it is scheduled to end?

Please let your interpreter know prior to or at the start of the program when you would like the program to end, so that s/he will end the program with enough time to ensure the group is back in the party room for parents to pick-up their children.

2) What happens if we arrive late?

Your program will start when you arrive at the Nature Centre, and will end at the scheduled end time indicated on your booking confirmation sheet.

3) Are there food services on-site?

There are beverage and snack vending machines in the Nature Centre hallway.

4) I booked a room rental. Do we have the room for the whole time?

Yes. Food, presents, and other belongings can be left in the room during the 2 hour program. Depending on the party, many of our program activities may take place outside of the room and in other locations around the facility, so we will not be in the one room the entire time. We usually draw the doors closed when the party is out of the room. The rooms do not lock. If you have small valuables, such as a purse, we recommend bringing them with you.

5) How will I know which room is the birthday room?

We have 2 party rooms. Interpreters will put a sign at the top of the stairs past the front desk of the nature centre to direct individuals to their designated party room.

6) Do we need to clean up afterwards?

Your interpreter will clean up the room after your party. Please be considerate and help our staff by ensuring that all garbage and recycling is placed into the correct receptacles. Additionally, please assist our staff with any large messes (i.e., spilled food/drink) by minimizing/containing the spill. If no paper towels are available in the room, please ask your interpreter for some.

7) Can parents enter the facility to drop-off/pick-up their child without paying admission?

Yes. If you are passing by the front desk staff, please let them know that you are there to drop-off/pick-up for a birthday.

8) Can we have the room rental before the program?

Yes, this is possible. Please include your request/preferences in the “notes to interpreter” section of your booking confirmation sheet at the time of booking. When your interpreter calls, please discuss your request with him/her, so that the interpreter can plan accordingly.

9) My children are young (i.e., 4 yrs) and may not be ready for 2 hrs of continuous programming.

a) Can we have a shortened program?

Yes, you can book our 2.5 hr party package, which includes 1.5 hr of programming and a 1 hr room rental.

b) Can we have a snack/bathroom break in the middle of the program?

Yes. Please include this request in “notes to interpreter”.

c) Can we have a shorter program (i.e., 1.5 hrs), and use the extra time to extend the room rental time by an extra 30 minutes?

Yes. Please include this request in “notes to interpreter”.

10) I have only 15 children, but each of them has 1 parent (a maximum of 30 people total in the group). Can they all participate without the parents paying extra admission?

Yes. The maximum group size for this party is 30 (includes kids, siblings, parents).

11) Do you offer any birthday programs for infants/toddlers (children under the age of 4)?

The Nature Play Party is a good option for younger children ages 3-5 and their adults. Included in this program are 45 minutes of programmed activities such as dancing like animals, using their senses to solve a puzzle, and meeting a small local snake or salamander. These activities are all done with assistance from the children's adults which is why the party is limited to 15 children and their 15 adults.

12) Can I tip my interpreter if they did a great job?

No, City of Edmonton employees cannot accept money. Once the program is over, you can thank them verbally. You are welcome to offer them a piece of cake or leftover food to express your appreciation.

We look forward to seeing you at the John Janzen Nature Centre!
