

ELECTRICAL PERMIT FEE ESTIMATOR

Effective January 1, 2015

This schedule represents the fee for stand-alone electrical permits and is for estimation purposes only. Permits for new buildings and other major construction, in which the electrical permit is paid for with all required building and mechanical permits, will have a fee based on total construction value. Contact Current Planning for more information on these fees.

Electrical Installation Cost = Total Amount of Materials and Labour

Safety Code Levy is added to fees, equal to 4% of permit fee with a minimum of \$4.50 and a maximum of \$560.00.
