

Accommodating Growth

▶ EDMONTON IS EXPECTED TO GROW TO OVER 2 MILLION PEOPLE IN 50 YEARS

Land depletion will take place in		
	RESIDENTIAL	INDUSTRIAL
Southwest	12 years	N/A
Southeast	17 years	10 years
North	31 years	17 years

It takes approximately 10 years to assemble, plan, obtain approvals, develop land, and build homes and businesses in the new areas.

In *The Way We Grow*, Edmonton has policies to accommodate growth including:

- Ensure housing development potential is available for the next 30 years.
- Ensure a balanced mix of residential and non-residential land use
- Ensure sufficient land available to sustain economic development
