

Fire Rescue Services

MISSION:

We are committed to protecting life, property, and the environment.

VISION:

To make Edmonton a safer, more livable city by providing the best fire rescue services in North America.

CORE VALUES:

Service. Safety. Relationships. Teamwork.

- 27 active fire stations with 12 located in south Edmonton
- 47 front line fire trucks in service, which include 27 pumpers, 9 ladders, 6 rescues, and 5 tankers
- In 2013, Fire Rescue Services responded to nearly **40,000 calls**, including

25,510 medical; 9,346 rescue; 3,278 fire suppression; and 1,579 hazardous material emergency events.

- **Fire insurance grading** - The City of Edmonton is currently graded as a 1 for residential property fire insurance and a 2 for commercial property fire insurance.
