- More conceptual information on how the collector roadways will be named
- Will all roads be named? or will some be numbered, such as those that connect to the adjacent neighbourhoods
- Has the application been reviewed by any stakeholders? If not, what are the thoughts of those linked to the local Aviation Industry (eg. Aviation Museum of Alberta)
- What was the methodology used in the selection of the proposed names within Stage 1
- Will Blatchford Road name continue to the north and east along the same roadway? Will other roads use the name 'Blatchford'?

Considerations:
