

561 Night Ride on Whyte

Night Ride on Whyte is a pilot project that links bus and taxi service after the usual transit system has shut down for the night. It will operate from 1:30 a.m. to approximately 3:30 a.m. on Friday and Saturday only, starting January 6 and ending April 14.

Pick Up and Drop Off

Pick up is along Whyte Avenue from 104 St. to 109 St. and then pick up and drop off at all regular bus stops along the route to the University and on to Southgate Transit Centre where taxis will be waiting to take riders to further destinations. Customers are also able to leave the bus along 51 Ave. from Southgate Transit Centre east to Gateway Blvd.

The [ETS Stop Request Program](#) is in effect for this service. The program allows riders to exit a bus at a safe location other than at a bus stop on the route. Riders need to tell the operator at least one stop before the location where they want to get off the bus. Remember that the operator must be able to stop safely to accommodate the request.

LRT and Transit Centres will be closed from 1:30 a.m. - 4 a.m.

Taxi Integration Site

Taxis will be available at Southgate Transit Centre to carry riders to further destinations.
