

THE WAY WE GROW

THE QUARTERS DOWNTOWN

TRANSFORMING | EDMONTON

BRINGING OUR CITY VISION TO LIFE

WELCOME!

The Quarters Downtown Streetscape

Public Information Session

March 27, 2013 4 - 8 p.m.

This public information session is being held to present information on the design and construction details of The Quarters Downtown Streetscape project.

Please take a comment form, visit the stations around the room to view the plans and design elements, and talk to members of the project team.

Drop your completed comment form in the basket by the door before you leave.

Thank you!

THE QUARTERS DOWNTOWN

TRANSFORMING | EDMONTON

BRINGING OUR CITY VISION TO LIFE

PROJECT BACKGROUND

The City of Edmonton is leading the redevelopment of The Quarters Downtown.

- Council has approved the investment of \$56 million in infrastructure and public amenities to attract further investment and encourage growth in this part of downtown.
- The City has undertaken construction of a storm sewer tunnel and utility relocations in 2012 and 2013.
- Construction of The Quarters Downtown Streetscape will occur from 2013 to 2015 and includes reconstruction and streetscaping of 96 St. from Jasper Ave. to 103A Ave. and the south side of 104 Ave. between 96 St. and 95 St.
- 96th St. will become The Armature – four blocks of urban public open space that is a true public park and high-quality public realm. The Armature will be bold and aspirational, presenting a new urban character that is undeniably about Edmonton.
