Dear Mr. Lawrence:

RE: Tentative plan of subdivision to create four (4) single detached residential lots from a portion of NW 23-51-24-4; **WALKER**

I The Subdivision by Plan is APPROVED on May 13, 2010, subject to the following conditions:

1. that the owner provide money-in-place of Municipal Reserve, in the amount of \$77,064.00 pursuant to Section 666 and Section 667 of the Municipal Government Act;
2. that the owner enter into a Servicing Agreement with the City of Edmonton pursuant to Section 655 of the Municipal Government Act;
3. that the owner prepare the necessary plans and documentation to grant new or carry forward existing easements and restrictive covenants in favour of the City of Edmonton, EPCOR Distribution and Transmission Inc., EPCOR Water Services Inc., and ATCO Gas, as required by the aforementioned agencies or shown on the engineering drawings that are deemed to be part of the Servicing Agreement; and
4. that the owner pay all outstanding property taxes prior to the endorsement of the plan of subdivision.

II That the Servicing Agreement required in Clause I (2) contain, among other things, the following:

1. that the owner pay all costs, assessments and roadway modification costs, construction costs and inspection costs occasioned by this subdivision;
2. the owner pay all costs specified in the Servicing Agreement prior to the endorsement of the plan of subdivision;
3. that the owner pay the proportionate share of the Permanent Area Contributions for the construction of permanent storm and sanitary drainage facilities in the basin;
4. that the owner pay the proportionate share of the Arterial Roadway Assessment for the construction of arterial roadways in the catchment area;
5. that the owner submit detailed engineering drawings and technical studies in accordance with the City of Edmonton Design and Construction Standards and to the satisfaction of the City Departments and affected utility agencies;

6. that the owner submit an Erosion and Sediment Control (ESC) Plan specific for this development and for implementation during and after construction in accordance with the City of Edmonton ESC Guidelines and Field Manual;
7. that the owner is responsible for the design, landscaping and construction within the public utility lots, utility rights-of-way, road islands, boulevards, medians, walkways, and Municipal Reserve parcels, to the satisfaction of the Community Services, Transportation and Asset Management and Public Works Departments; and
8. that the owner construct all fences positioned wholly on privately-owned lands to the satisfaction of the Asset Management and Public Works Department in the location as shown on the "Conditions of Approval" map, Enclosure I.

Enclosure I is a map of the subdivision identifying major conditions of this approval.

Municipal reserve (MR) entitlement for the titled parcel was dealt with under LDA07-0073 which dedicated land and required money-in-place of MR. A 0.195 ha "credit" was given for a historical barn site but since this area was not redeveloped as intended, the MR will now be taken as money-in-place with this subdivision.

Please be advised that an appeal may be lodged in accordance to Section 678 of the Municipal Government Act with the Subdivision and Development Appeal Board, Office of the City Clerk, 3rd Floor, City Hall, 1 Sir Winston Churchill Square, Edmonton, Alberta, T5J 2R7 within 14 days from the date of the receipt of this decision.
