

WHITEMUD PARK – Concept for Discussion

This location currently provides a suitable site to hand launch non-motorized boats. The proposed plan for the future site offers park visitors a dock from which to enjoy the views from the water's edge while also providing a temporary location to tie up watercraft.

What are the opportunities?

- Existing hand launch site
- Suitable slopes
- Picnic areas

What design considerations exist?

- Proximity to fish habitats
- Potential conflicts between users (trail users, occasional boaters)
- Distance to unloading and parking
- Distance to washrooms

What amenities are being considered?

- Dock with granular trail access
- Winter storage area for dock
- Improved signage (for example, No parking, unloading zones, etc.)
- Viewpoint
- Benches, waste receptacles
- Portable toilet
