Classroom Presentations

90 Ways to 90% Less Waste

Grades 4-12

Let us take your students through an exploration of Edmonton's world-renowned waste management system and inspire them to do their part to help Edmonton keep 90% of waste out of landfills.

Offered Monday to Thursday, September to June.
One hour long. Call 780-496-5404

Choose to Reuse

Grade 4

This presentation demonstrates the many benefits of a waste-free lunch, explores the Reuse Centre and challenges students to find reuse possibilities in their everyday lives.

Offered Monday to Thursday, September to June.
One hour long. Call 780-496-5404

Garbage In, Compost Out

Grades 4-6

The Compost Chef cooks up compost! Students will plant a seed and make a compost tea bag. Students will also start a worm bin, explore semi-finished worm compost, and adopt the worms for their classroom. 2-3 adult helpers requested.

Offered Tuesday to Friday, September to June.
Two hours long. Call 780-496-5404

Facility Tours

The Edmonton Waste Management Centre (EWMC)

With its collection of advanced recycling and composting facilities, the EWMC has been called "the ultimate waste theme park." Discover how recyclables get sorted, organic waste is turned into compost, e-waste is recycled, and waste is converted into methanol and ethanol.

Offered year-round Monday to Thursday.
Duration: 1.75-2 hours. Call 780-496-6879

The Reuse Centre

Visit the Reuse Centre at its new location (6835 – 83 Street) to see how everyday items get a chance at a second life, through the generous donations of Edmonton residents. Reuse tips and tricks guaranteed to inspire!

Offered year-round Tuesday to Friday.
One hour long. Call 780-495-9851
