BOOKING AND ALLOCATION PROCESS

The Framework

- Under the Joint Use Agreement, facilities are shared between the Partners of the Agreement (the City and the School Districts.)
- The Districts make facility time available to the City and the City allocates that time to City and community user groups.
- User groups are customers of the City, not of the School Districts. All requests for use of school facilities are to be made to the City.

Annual Booking Cycle

Spring

- School districts compile inventories of availability of gymnasiums and other school spaces and forward to the City.
- The City advises users and potential users with booking information.
- User groups make requests by deadlines.
- School Districts forward any and all misdirected requests for Joint Use of schools to the City.
- City ensures requests meet Operating Guidelines and advise ineligible applicants for options for rentals outside of the JUA

Summer

- City allocates available time slots to users in accordance with agreed allocation procedures and provides licenses to user groups.

Fall

- Facility use season begins.

Cancellations by User Groups

- User groups are required to provide 16 days notice of cancellation of booking dates.
- Fees will be refunded for any cancellations meeting the timeline.
- There will be no refund for no-shows or cancellations with less than 16 days notice.

LOG-IN PROCESS

- The custodian will unlock doors upon arrival of the group rep of the user group. (10 minutes prior to commencement time on the license.) The door can be relocked 10 minutes after the commencement time on the license.
- If no group rep arrives within 15 minutes, the custodian will inform the participants that the activities will not be accommodated.
- A Walk-Through is required before and after every rental, with an inspection by the custodian and group rep of the booked area (including floors). The Log-In sheet should be initialed by both.
- If more than one team or class shares a booking slot for the same organization it is the groups' responsibility to do inspections between teams/classes.
- At the end of the booking repeat the inspection, initial the post walk-through box and record the departure time in the Time Out space.
Should the group fail to arrive the custodian will enter "No Show" in the "Time In/Time Out" space.
