

# Leaders In Training

**Are you looking for some excitement this summer?**

**Are you ready to take risks and meet new friends?**

If you are between the ages of 13 and 17, why not take the opportunity this summer to build your leadership skills and get involved in your community? Our Leaders in Training (LIT) Program will provide you with valuable volunteer leadership experience at a Neighbourhoods Day Camp or Green Shack program. During two days of fun and interactive leadership training, staff will help you discover your inner leader and prepare you for volunteering with children in our summer programs.
