Need help shovelling?

Snow Angels is an awareness and recognition program, encouraging Edmontonians to help a neighbour in need of snow removal and to recognize the volunteers doing their part. **The Snow Angels program is unable to match volunteers to people in need.** If you would like to know which organizations provide affordable shovelling services to residents, call 311.

Be a Snow Angel – help a neighbour in need.

All you need to do is shovel snow for a person in need in your neighbourhood. Your heroic efforts will help create a safer community for everyone to enjoy and help people in need meet their responsibility to remove ice and snow from their sidewalks after a snowfall.*

Snow Angels

As a senior, or person with a disability, shovelling snow is difficult and sometimes dangerous. Fortunately, some people have a friend, family member or volunteer to help them shovel.

Say thanks to your volunteer by nominating them as a City of Edmonton Snow Angel.

Nominated Snow Angels will receive vouchers to an Edmonton Oil Kings game!
