

Walkable Edmonton

Walkable Edmonton is an initiative bringing Edmontonians together to build a more walkable community by providing grass roots resources and building civic support. Check out our website for links to other walking resources, maps, walking groups and places to walk in Edmonton.

The Benefits of Walking

**Walking... a healthy journey!**  
Ranked the number one activity of choice among Canadians, walking is a prescription for improved health and wellness. Walk briskly for 30 minutes a day, 5 days a week, and minimize your risk for cardiovascular disease, stroke, Type 2 diabetes and some types of cancer. Additional benefits include weight management, blood pressure control and boosting good cholesterol (HDLs).

- Other benefits of walking:
- Releases the body’s tension and stress.
  - Refreshes the mind and body, especially when walking outdoors.
  - Allows you to connect with your community.
  - Offers an excellent way to socialize with family and/or friends.
  - Increases “eyes on the street”, enhancing community safety.

Walking is an easy activity to do, costs very little money and the benefits to health, fitness, and mental well-being are priceless!

- Here are some tips to keep you on track:
- For starters, take a leisurely walk around your block. Slowly increase your walking time by 5 – 10 minutes a day until you are walking for 30 minutes. A duration of 30 minutes a day is what you’re after but don’t stop there! Once in a while, go for a 45 – 60 minute walk.
  - Walking with a buddy can be very motivating.
  - Gear up with loose clothing and proper walking shoes. Comfort is key.
  - Walking to a destination — grocery store, mailbox, school, etc. — is a way to fill your walking prescription of 30 minutes per day.

There are 1,440 minutes in a day,  
schedule 30 of them for walking!

Victoria Promenade

The Oliver Community League was formed in 1922 and by 1923 had encouraged the Gyro Club to provide playground equipment at Kitchener Park. Oliver Outdoor Pool was built in 1924 for residents to relax and unwind. The first ski hill was in Oliver as was the Glenora Skating and Tennis Club; the three clubs amalgamated in 1961 and moved to the Royal Glenora Club in the river valley. Also in 1961, Molson's Brewery donated its lawn bowling clubhouse to the Oliver Community League which was moved to its current site and still serves as the Oliver Hall.

Old Oliver, originally known as the West End, was renamed in 1937 after the West End Community League changed its name to Oliver Community League. It is a mature, walkable neighbourhood with beautiful tree-lined streets, stunning view of the river valley, nine parks, seven centers of worship, three schools, and many amenities for its diverse group of residents to enjoy like shopping, coffee/tea shops, transit, etc. Oliver was bound by three rail lines: CN, CPR, and EY&PR (Edmonton, Yukon & Pacific Railway). The EY&PR ran along the embankment above Victoria Golf Course to Groat Bridge then north along Wadhurst Road to 106 Ave, east to the CN yards.
