The Benefits of Walking

Walking... a healthy journey!

Ranked the number one activity of choice among Canadians, walking is a prescription for improved health and wellness. Walk briskly for 30 minutes a day, 5 days a week, and minimize your risk for cardiovascular disease, stroke, Type 2 diabetes and some types of cancer. Additional benefits include weight management, blood pressure control and boosting good cholesterol (HDLs).

Other benefits of walking:

- Releases the body’s tension and stress.
- Refreshes the mind and body, especially when walking outdoors.
- Allows you to connect with your community.
- Offers an excellent way to socialize with family and/or friends.
- Increases “eyes on the street”, enhancing community safety.

Walking is an easy activity to do, costs very little money and the benefits to health, fitness, and mental well-being are priceless!

Here are some tips to keep you on track:

- For starters, take a leisurely walk around your block. Slowly increase your walking time by 5 – 10 minutes a day until you are walking for 30 minutes. A duration of 30 minutes a day is what you’re after but don’t stop there! Once in a while, go for a 45 – 60 minute walk.
- Walking with a buddy can be very motivating.
- Gear up with loose clothing and proper walking shoes. Comfort is key.
- Walking to a destination — grocery store, mailbox, school, etc. — is a way to fill your walking prescription of 30 minutes per day.

There are 1,440 minutes in a day,
schedule 30 of them for walking!

Our Community is home to Elizabeth Finch School (K – 9) which serves the entire community and is a gathering place for many community events. COCL is a very busy community league which offers a range of programs and events for our members. We offer soccer, baseball, play rangers, learn to skate, learn to bike, learn to kick and much more! Your COCL membership also entitles you to free swims and skates so check us out on line at www.cocl.org for more information!

We are very proud of our forest which is located at 150 Avenue and 135 Street. The forest has been home to many events and has been reported to be haunted on Halloween. Annually we have hosted a family event on Halloween at the forest. Be sure to take a stroll anytime through the forest and enjoy nature!

COCL is close to many amenities and many of them you can walk to! There are shops, grocery stores, restaurants, banks, shopping centers and medical offices. There is something for everyone!

COCL is a vibrant, growing community of individuals and families of all ages and backgrounds. Get out take a stroll, enjoy our playgrounds, and discover new friends and trails. We invite you to see what your neighborhood has to offer!

Cumberland Oxford Community League (COCL) is a newer residential neighborhood located in northwest Edmonton with the first homes constructed in the late 1980's and construction continues today. This area was home to the Edmonton Speedway and the Twin Drive-In Theatres where many memories were made!

COCL is cradled between 127 Street on the east, 137 Avenue to the south, 184 Street to the west and Anthony Henday on the north. We are one of the largest Community leagues in Edmonton and are home to four community playgrounds. Our original playground was built at Cumberland located along at 129 Street at 148 Avenue. Hudson Park is located along Cumberland Road (142 Avenue) at 135 Street and is home to a playground, spray park, ball hockey pad, basketball nets, gazebo, fire pit, and a snow bank ice rink in the winter months. Oxford Playground is located along 155 Avenue at 131 Street and has basketball courts, BMX moguls and hosts a fire engine in its playground. Carlton Park is located besides Elizabeth Finch School along 139 Street at 159 Avenue and has a forest theme and has something for every age!
