118 AVENUE STREETSCAPE
92 Street to 97 Street

As part of the 2011 construction program, the City of Edmonton, Capital Construction Department will be involved in carry-over construction work at the above location.

Construction is scheduled to commence on or about May 9, 2011.

The remaining work consists of:

- Concrete bus pads, crosswalk channels, Concrete curb and gutter repairs and landscaping.
- Sand-blasting of concrete header between the back of curb and front of walk.
- Asphalt street-printing along all side streets within the project limits.

Construction will begin with installation of bus pads and crosswalk channels on the north side of the avenue between 96 Street and 97 Street. The south side bus pads, crosswalk channels, street printing, and all landscaping will be completed thereafter.

Please note that road construction will be taking place between 82 Street and 78 Street in coordination with this carry-over work.

During the construction period, traffic on 118 Avenue will be restricted to one lane in each direction at various times within the area of work.

Please note that parking will not be permitted in signed areas.

Access to businesses and residences will be maintained at all times.

If you have special access requirements, such as DATS, please advise one of the contact persons listed below.

Please retain this bulletin for contact information.

The affected location(s) are shown on the reverse of this bulletin.
