March 15, 2013

## **17 Street, 23 Avenue to Silverberry Road**

As part of the 2013 construction program, the City of Edmonton, Transportation Services Department will be involved in new road construction at the above location.

**Stage One, 23 Avenue East of 17 Street to 24 Street, was completed and opened to traffic in 2012.**

**2013 work will continue with Stage Two, 17 Street, 23 Avenue to Silverberry Road.**

The work will consist of:

- Removals, site grading, underground storm sewer and new road base installations.
- Water main installations.
- Construction of asphalt shared use path.
- Landscaping work will occur after completion of all road construction work.

For the remaining 17 Street improvements, a **Total Road Closure** will be required to facilitate both sewer installation and the new road construction work.

**Road Closure :** 17 Street, from Silverberry Road to 23 Avenue will close April 02, 2013, and reopen fall of 2013.
