

Construction Update

October 2011

118 Avenue Streetscape

- There is currently a directional closure of 118 Avenue between 80 Street west to 82 Street, and between 78 Street west to 80 Street. One lane eastbound only is being maintained along 118 Avenue however 82 Street will be open for traffic traveling north and south. This closure will be in effect until early November, weather permitting.
- 80 Street remains closed to through traffic.
- The closure of this section of 118 Avenue will have some impact on transit service with buses being detoured around the construction area. [ETS Service Changes & Detours](#)
- Street parking will not be allowed along 78 Street as well as 117 Avenue to accommodate traffic being detoured.
- Epcor has completed the cable work and installation of light standards and luminaries.
- All walkway and curb and gutter concrete work is complete.
