## PROJECT PURPOSE

The purpose of this study is to develop a concept plan for 112 Street and 167 Avenue between Castle Downs Road and 176 Avenue and 112 Street and East of 127 Street to accommodate future needs of this corridor. This is a planning study; there is no start date to begin construction to upgrade the corridor.

### **112 Street and 167 Avenue requires upgrades to:**

- Accommodate future traffic growth
- Address access requirements for existing and future development
- Improve connections for pedestrian, cyclist and transit
- Provide roadway drainage facilities

## PROJECT TIMELINE

# 112 Street and 167 Avenue Concept Planning Study

## CONSTRUCTION TIMELINES

Construction of upgrades to 112 Street and 167 Avenue will be prioritized according to future development and redevelopment along the corridor. However, construction of 167 Avenue between east of 123 Street and 127 Street is planned by an area developer in 2014

There is no funding in place for construction of the rest of the upgrades to 167 Avenue and 112 Street

**This project is at the planning stage and therefore exact construction timelines are unknown**
