

Arterial Road Reconstruction 90 Avenue – 75 Street to 83 Street

APRIL 2015

Project overview:

The City of Edmonton will be completing a full removal and reconstruction of 90 Avenue between 75 Street and 83 Street in 2015.

This section of 90 Avenue serves as a major commuter and goods movement corridor which carries significant traffic flow from 75 Street to the downtown.

Construction will include:

- Removal and reconstruction of
 - Roadway
 - Sidewalks (south boulevard)
 - Curbs and gutters
- Replacement of:
 - Streetlights
 - Traffic signals

- Right turn cut off improvement at 75 Street intersection (eastbound to southbound)
- New 3.0m wide shared-use path (north boulevard)
- Re-aligned pedestrian crossing at 83 Street with new pedestrian crossing signals (near Vimy Ridge Academy)

Construction details:

- Construction will begin in **May 2015** and is anticipated to be complete in Fall 2015.
- Number of traffic lanes may be temporarily reduced during construction.
- Two-way traffic will be maintained.
