

THE WAY AHEAD

Building Great Neighbourhoods

TRANSFORMING | **EDMONTON**

BRINGING OUR CITY VISION TO LIFE

We are here today to:

- **Explain** how the City is investing in improving your neighbourhood and how your neighbourhood will be improved to meet current City standards.
- **Show** you the preliminary road designs for your neighbourhood, including streetlight placement.
- **Ask** you to provide local knowledge in reviewing the design.
- **Highlight** the local improvement process and how it works.

What is Building Great
Neighbourhoods?

What does it mean to your
neighbourhood?

Building Great Neighbourhoods is a City initiative that coordinates three infrastructure investment programs to renew and improve Edmonton neighbourhoods.

Building Great Neighbourhoods

Drainage
Neighbourhood
Renewal Program

Neighbourhood
Renewal Program

Great
Neighbourhoods
Capital Program

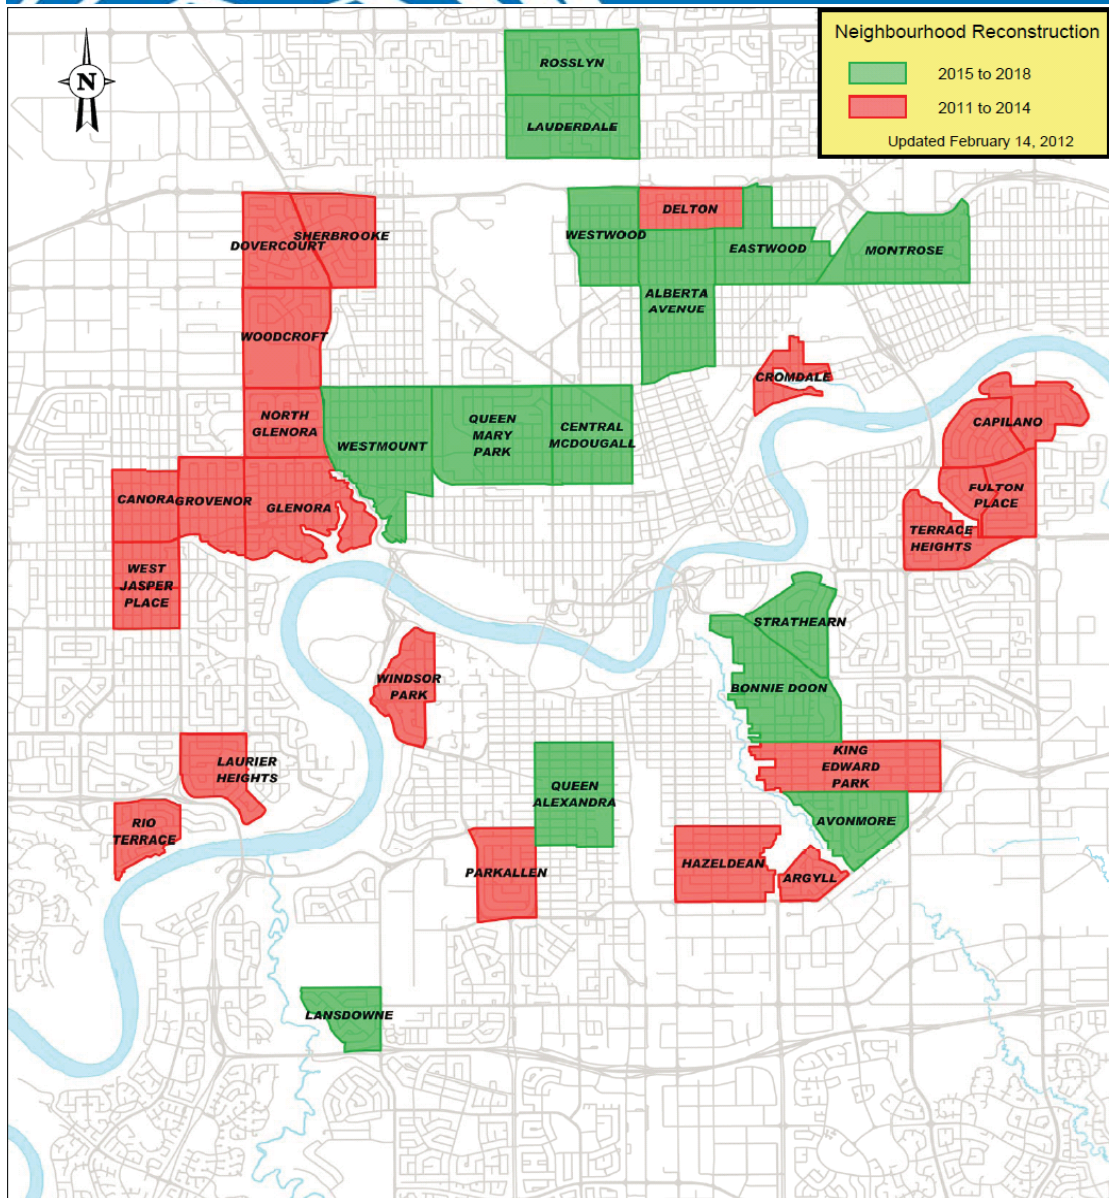

In Your Neighbourhood:

The City of Edmonton is:

- Renewing and replacing sewers.
- Co-ordinating utility repairs (EPCOR and ATCO).
- Reconstructing roads, curbs and sidewalks on City-owned property.
- Replacing streetlights.
- Working with residents to improve pedestrian and cycling accessibility.
- Adding to your neighbourhood's livability.

A Unique Program:

- BGN is a long-term, planned, integrated approach to improve and replace essential infrastructure in Edmonton's mature neighbourhoods.
- This advances several long-term City goals:
 - Improve Edmonton's livability.
 - Promote active transportation (walking and cycling).
 - Preserve and sustain the environment .

Hazeldean will begin reconstruction in 2013.

The City will reconstruct:

- 2011-14: 20 Neighbourhoods
- 2015-18: 14 Neighbourhoods
- Total: 34 Neighbourhoods

Road Reconstruction

BEFORE

AFTER

HAZELDEAN

Meeting 1 - Community League

Discussion:

- Any community led projects or initiatives that could be opportunities for neighbourhood capital investments.
- Suggestions of capital investments for the neighbourhood that improve livability.
- Drainage has initiated the inspection and renewal of the sewer system.

Meeting 2 (TODAY) - Design Open House

Designs informed by:

- Conversation with the community league.
- Our walk through the neighbourhood.
- City design standards and policies.

Feedback: We ask that you look at these designs and use your knowledge of your neighbourhood to advise us if there are missing design elements such as:

- sidewalk links
- bicycle facilities
- traffic signs

This will help us with our final design.

Meeting 3 – Construction Plans and LI Information

- Following the design meeting comments are incorporated if appropriate and the design is finalized. The final plan is presented to the community and the Local Improvement Process is described in more detail.
