

THE WAY WE MOVE

TRANSFORMING | EDMONTON

BRINGING OUR CITY VISION TO LIFE

CENTRAL LRT STATION REHABILITATION & JASPER AVENUE STREETSCAPE PROJECT UPDATE - JUNE 2013

Construction is ongoing on the south side of Jasper Avenue and within Central LRT Station.

STAKEHOLDER COMMUNICATIONS

- Meeting with adjacent property owners/management is completed, including Commerce Building, First & Jasper, CIBC, Scotia Place, Melcor, Telus Plaza, CDI Building, Empire Building, Union Bank Inn and Cambridge Lofts.

MAJOR MILESTONES

- Demolition of roadways complete, except remaining areas on 101 Street.
- Crews removed existing smoke fan vent, demolished and removed roof girder for new vent, and installed a precast concrete girder into the old vent location.
- Approximately 500 cubic metres of concrete were poured in May. About one-third of the Central LRT Station topping slab is complete.

UPCOMING IN JUNE

- Concrete roadway off of the station is anticipated to be completed by June 30.

SCHEDULE STATUS

- Completion of surface works expected for October 31, 2013. Concourse and station utility improvements expected to be completed by December 23, 2013.
