

## BULLETIN

## DEAR COMMONWEALTH STADIUM AREA RESIDENTS:

In 2016, parking restrictions during major COMMONWEALTH STADIUM events will be in effect during the time indicated on the schedule. During a major Stadium event, only vehicles displaying a valid permit may park. Please refer to the map for areas affected by the parking restrictions.

**Parking in restricted areas is a violation for residents if a valid permit is not displayed upon the front windshield of the vehicle.**

**Vehicles in violation may be fined \$75.00 and towed from site.**

**It is an offence under Traffic Bylaw #5590, Section #74 (\$250.00 fine) to drive across a sidewalk or boulevard where there is no curb crossing in order to park vehicles.**

To obtain a permit you **must be a resident** of the restricted area shown on the map, and be able to produce a valid vehicle registration documenting your residency in the restricted area. Single dwelling homes up to and including multi-family buildings under 4 stories qualify for Restricted Residential Parking Permits. Residents must apply for a Temporary Parking Permit two weeks prior to the event.

### PARKING ON PRIVATE PROPERTY

Property owners selling or providing parking spaces for stadium patrons on privately owned property, like a back yard, front yard, or driveway, is strictly prohibited in residential zones. A development permit and a business license are required for this type of activity, but cannot be obtained in residential areas. Municipal Enforcement Officers will be in the community during stadium events to specifically deal with illegal parking lots and businesses operating without a business license. The fine for operating without a business license is \$450, and the fine for operating without a development permit is \$1000. For more information, please contact 311.
