

Construction Update

AUGUST 2011

97 Street Rehabilitation

- City crews are currently finishing up the concrete repairs along the west and east sides of 97 Street, south of 130 Avenue. The concrete work will take approximately 1 and a half weeks to complete, followed by the placing of asphalt from Yellowhead Trail to 130 Avenue.
- The design for the right hand turn from Yellowhead Trail is complete and construction of the new turn will start in mid-September.
