

Construction Update

OCTOBER 2012

Ellerslie Road Eastbound over Blackmud Creek - Project Complete

This project has been completed on schedule and all lanes will be open to traffic at 7pm on Wednesday, October 17, 2012. Some carry-over work may still be ongoing however it will have little or no impact to motorists or pedestrians in the area.

The City of Edmonton would like to thank motorists and area residents for their patience during construction.
