March 2012

## 17 Street & 23 Avenue Roadway Upgrades

### Road Closure Notice

Construction which was started late in 2011 will be recommencing and is anticipated to be complete by late fall 2012. For both the 23 Avenue and 17 Street improvements, a Total Road Closure will be required to facilitate both sewer installation and the new road construction.

- **Stage One Road Closure:** 23 Avenue, from 24 Street to east of 17 Street, will close March 21, 2012 along with 17 Street south of 23 Avenue.
- **Stage Two Road Closure:** 17 Street, from Silverberry Road to 23 Avenue will close after Stage One has reopened to traffic anticipated for July 2012.
- For 23 Avenue, east of 17 Street, local access will be maintained.
