

# STONY PLAIN ROAD STREETSCAPE

## PROJECT UPDATE - JULY 2014

The Stony Plain Road Streetscape project involves reconstruction of Stony Plain Road from 149 Street to 158 Street, streetscape elements like coloured concrete sidewalks, crosswalks, tree pits, benches and decorative streetlights.

In 2014, work will be done on the section from 152 Street to 149 Street.

### MAJOR MILESTONES

- The roadway on 152 Street has been removed north of Stony Plain Road to accommodate construction of a parkette.
- Crews have completed sidewalk construction on the north side of Stony Plain Road between 152 Street and 149 Street.
- The installation of a new signal change-over at 151 Street is complete.

### ONGOING WORK

- Reconstruction is underway on 151 Street north of Stony Plain Road.
