

STONY PLAIN ROAD STREETSCAPE

TRANSFORMING | EDMONTON
BRINGING OUR CITY VISION TO LIFE

Stony Plain Road Streetscape Improvements Initiative: Proposed Key Elements

Sidewalk

Current	1.5 metres wide (in most locations)
Proposed	2.8 metres wide (in most locations) <ul style="list-style-type: none">• The additional 1.3 metres of sidewalk is obtained from narrowing Stony Plain Road from its current 16.0 metres (curb face to curb face) to 14.5 metres, and widening the sidewalk to property lines.
Future businesses'	The City of Edmonton would also like to immediately explore an agreement for the inclusion of the streets for the inclusion of the streetscaping for the 3 additional meters back from the property line to the building faces. This would allow for the best possible streetscape and sidewalk for Stony Plain Road.

Roadway

Current	16 metres (curb face to curb face) - 4 travel lanes plus one parking lane on north side.
Proposed	14.5 metres (curb face to curb face) - 4 travel lanes <ul style="list-style-type: none">• Two 3.75 metre outside lanes (including gutter width) and two 3.5 metre inside lanes• Weekday Peak Hours - Two travel lanes both east and westbound• Weekday Off-peak and Weekend - One travel lane both east and westbound and one parking lane on both north and south sides.
Future	May be impacted by future West LRT.
