

The City and the 124 Street Business Association are working together to convert the park located at 124 Street & 108 Avenue into a vibrant park space.

The City is funding the addition of drainage and electrical to the site, removal of hard surface, grading of the site, sod and access closures.

The 124 st BRZ is funding additional enhancements on the site.

Improvements to the park space will be constructed in coordination with neighbourhood reconstruction in 2016.

Existing park conditions 124 street & 108 Avenue

Future park space 124 street & 108

The City will be adding picnic tables and garbage cans to the green space located at Wadhurst Road and 103 Avenue.

The City is looking at improving access to the shared use path through Grad's Park in 3 locations:

- Near 108 Avenue
- Near 109 A Avenue
- North of 110 Avenue

*Final access alignment to be determined through design.
