

Priority Boarding Area

The Priority Boarding Area is for people with reduced or limited mobility.

Use of the Priority Boarding Area is voluntary.

The Priority Boarding Area allows the LRT operator to see customers waiting in the area and be aware that boarding may take a few seconds longer.

How to Use

1. To use the Priority Boarding Area place yourself on the large floor decal on the platform.
2. When the LRT Train comes into the station make eye contact with the operator.
3. Once the train has stopped board the LRT at the nearest accessible doorway.
4. Ensure that you are safely seated or parked in the LRT.
