Spaces	Bookings	Programs (Registered and Drop-in Leader led)	Drop-in Users
<p>Gymnasiums, Flexi-halls and Field Houses</p>	<p>During rental time groups are permitted to bring in their own personal bags and/or equipment required for the purposes of their booking only. Bags and personal belongings are only permitted in their rented space or in storage cubbies and lockers provided. Rental groups are not permitted to store equipment or bags in areas not rented under contract (e.g. an open court or floor space), but rather must use designated storage spaces such as lockers, storage cubbies or change rooms.</p>	<p>During program time groups are permitted to bring in their own personal bags and/or equipment required for the purposes of the program only. Bags and personal belongings are only permitted in the program space or in storage cubbies and lockers provided. Registered participants are not permitted to store equipment or bags in areas not designated for the program.</p>	<p>Users are permitted bags and necessary personal belongings (Jackets, shoes) if stored in cubbies or lockers provided in this space or in a reasonable and safe location that represents low risk of theft and/or tripping hazard (approved by on-site staff). If storage option is not available then they must use locker change rooms (no equipment on floors or stored in bleachers). Personal equipment is permitted if included on <u>approved equipment list</u>. The facility will provide popular approved equipment (basketballs, rackets, etc.) for sign-out to be used in these spaces. If the facility does not provide this equipment (or not on <u>approved equipment list</u>) and staff believe that the equipment will not harm others, will not impact the experience of others, is appropriate for designated program (e.g. open gym, dedicated b-ball), or will not do damage to the facility, then they (staff: Gym Animators, RFAs, Fitness Monitors, program staff) are empowered to make an executively informed decision.</p>
