WINTER MAINTENANCE

The City of Edmonton is committed to maintaining safe and accessible roads and sidewalks for all users. During the winter months, road crews work to clear snow and ice from public roads and sidewalks. Regularly updated road and sidewalk conditions are available on the City's website.

FEATURES OF THIS MAP

The City of Edmonton's Winter Maintenance Map is designed to help residents and visitors navigate winter roads and sidewalks. The map includes information on road conditions, snow and ice clearing, and winter maintenance practices. For more detailed information, please visit the City's website.
