1. Share the Trail Safely
- Respect other trail users – Whether on foot or on the road, be aware of your surroundings and the speed of other users.
- Slow right and pass on left – Let people know you are about to pass by sounding your horn or bell. Always look twice before turning or stopping to avoid startling someone else.
- Keep to the right – Many trail users prefer to ride or walk on the right side of the trail.
- Use open trail – The area of your nearest park or trailhead for all users is clearly marked.

2. Use Open Trails Only
- If the trail is closed, there may be hazards ahead.

3. Slow down for safety
- Always slow down and provide ample space when passing another trail user.

4. Dogs in the River Valley
- Dogs are prohibited at all times from picnic areas, playgrounds, sports fields, school grounds and golf courses.
