

Net Zero Green Building Grant

About

- This \$25,000 Green Building Grant is open to lottery winners of the Meadows of Laurel Lot Draw who are building a Net Zero energy home.
- Please keep in mind that:
 - A maximum of three Green Building Grants per builder organization will be awarded; and
 - Funding is limited. Applications will be accepted until October 31, 2020, or until funding is fully allocated (whichever comes sooner).

Net Zero Homes & EnerGuide Labelling

- Net Zero Homes produce as much clean energy as they consume. They are up to 80% more energy efficient than typical new homes and use renewable energy systems to produce the remaining energy they need.
- To qualify for this grant, the applicant must be building a Net Zero Home, verified with a Zero (0) GJ/year EnerGuide Rating System (ERS) Label
- For more information on Net Zero Homes, please visit [this page](#).

Program Process

There are 5 steps in the Green Building Grant Program process:

Please note that program funding is strictly limited. Applications will be approved at the City of Edmonton's sole and unfettered discretion. For more information, including Program eligibility criteria, please see the [Grant Application Package](#).

Change Homes for Climate Solar Program

Green Building Grant applicants are encouraged to seek additional funding through the Change Homes for Climate Solar Program. This Program provides financial incentives to anyone proposing to install a solar photovoltaic (PV) system on a Residential Property in the City of Edmonton.

Rebate Details:

- \$0.40 per watt.
- Typically ~15% off the total system cost.
- Limits: Up to \$4,000 or 40% of cost.

Eligibility:

- Approved solar contractor required (SESA & CanSIA).
- Limit of 5 applications/year for residential home builders.

For more information: please visit [this site](#) or contact solar@edmonton.ca or 587-287-1903.
