## Locating Opportunities - Alberta Purchasing Connection Website

The City of Edmonton posts all procurement opportunities on APC. The Edmonton Construction Association (ECA) posts procurement opportunities on the COOLnet Alberta (now BuildWorks) website. From the APC site, Suppliers will be directed to the SAP Ariba Discovery network site to view the details of the procurement opportunity.

For instructions on creating an SAP Ariba Network Supplier account, see the [Managing your SAP Ariba Network Supplier Profile](#) guide

### Step 1: Going to the APC website

- I. To access an opportunity through the APC website, go to the website address <http://www.purchasingconnection.ca>.
- II. At the APC main page click the **I am a Vendor** button to access the opportunities page.

**Alberta** Government  
Alberta Purchasing Connection

Location: Alberta Government Home > Alberta Purchasing Connection

**!** APC is only compatible with IE7 and IE8. For newer versions of IE, add "purchasingconnection.ca" to the Compatibility View Settings via the Tools menu.

**Are you a Purchaser?**

Purchasers are engaged in procurement activities for the Government of Alberta or MASH sector. They create and post Goods, Services, and Construction opportunities using APC.

**WHAT IS THE APC?**

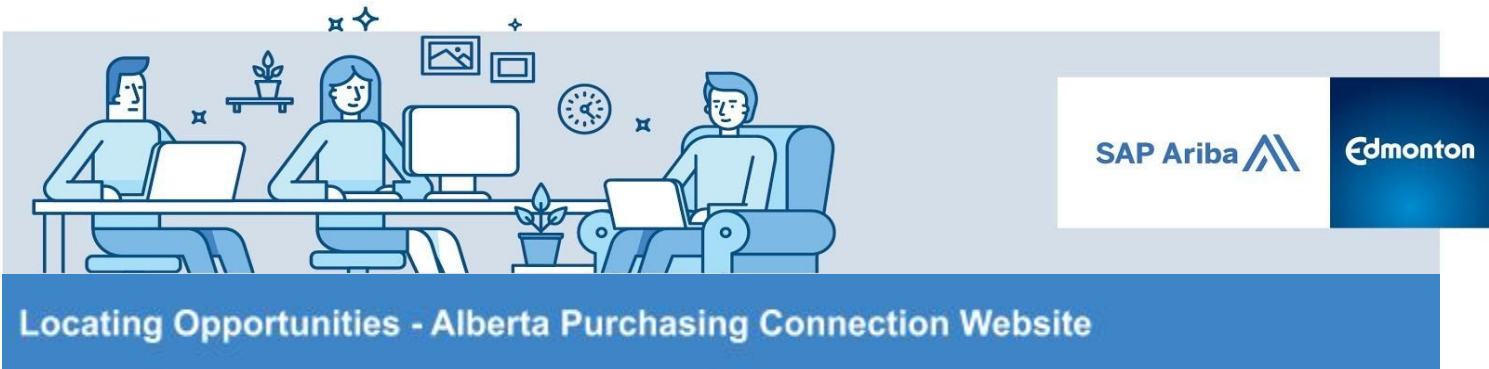

The Alberta Purchasing Connection (APC) enables you to view and download purchasing opportunities that have been posted by the Government of Alberta and the Province of Alberta's MASH sector. APC is the Province of Alberta's official system for posting and distributing purchasing opportunities from the Alberta public sector.

APC does not charge you for browsing opportunities or downloading opportunity documents. However, you are required to be a registered user and logged into APC to be able to download all documents necessary to bid on a purchasing opportunity.

II. To respond to the opportunity, click **Respond to Posting**.

The screenshot shows the Ariba Discovery interface. At the top, there are tabs for 'I'M BUYING' and 'I'M SELLING'. Below that is a navigation bar with 'Home', 'Leads', 'Subscriptions', and 'About'. The main content area shows a 'Back' button and a yellow banner stating 'This is a Public Sector posting and you can respond for free.' The posting title is 'Wayne Gretzky Drive, Capilano Bridge to 112 ave' with an 'Open' status. The provider is 'The City of Edmonton - New Prospect'. Key details include: Posted On: 6 May 2019, Open for bidding on: 6 May 2019, and Response Deadline: 31 May 2019 11:59 PM PDT. A red box highlights the 'Respond to Posting' button. Other buttons include 'Add to Watchlist', 'Not Interested', and social media share icons. The opportunity amount is '\$1M to \$5M USD' and the contract length is 5 months. The posting ID is 6733685(Doc1757978022) and the type is 'Request for Information'. The product category is 'Highway or road paving or surfacing' and the location is 'Edmonton - Alberta'. A 'Posting Summary' section at the bottom describes the 'Rehabilitation of Wayne Gretzky Road from Capilano Bridge to 112 ave.'

III. The supplier will be prompted for their Ariba user ID and password. If the supplier does not have an Ariba login, click the **Register Now!** link and click **Register as Supplier**.

The screenshot shows a 'Log In' modal window. At the top right of the modal is a red box around the 'Register Now!' link. Below the title, it says 'Ariba members: Use your Ariba user ID and password.' There are two input fields: 'Enter Username' and 'Enter Password', both highlighted with a red box. At the bottom left is a yellow 'Login' button, and at the bottom right are links for 'Forgot Username' and 'Forgot Password'. The background shows a blurred view of the same posting page as in the previous screenshot.
