March 2020 Employee Check-in

Summary Report

## December Employee Check-in

The City of Edmonton has partnered with Glint to hear from employees on a more regular basis. Glint's philosophy is that higher quality, more frequent, and better-informed conversations about engagement lead to happiness and success for people at work.

The March 2020 Employee Check-in is the City's second employee experience survey outside of the traditional biennial survey each September. This summary outlines what we heard from employees corporately at the City of Edmonton.
