New rules for smoking and vaping in public places will come into effect October 17, 2018.

Smoking and using e-cigarettes (vaping) is not permitted within 10 metres of:

- doorways, windows and air intakes of buildings and patios
- on a patio
- bus stops

This applies to both tobacco and cannabis.

Permitted smoking areas will be marked with ashtrays and/or signage.

For more information call 311 or visit [edmonton.ca/smoking](http://edmonton.ca/smoking) or [edmonton.ca/cannabis](http://edmonton.ca/cannabis).

Permitted smoking locations are subject to change.
