Bryan Anderson Campaign

Dear Mr. Anderson,

MacEwan University student athletes make numerous sacrifices to compete at the intercollegiate level. Your contribution helps provide the support needed to run quality competitive programs. Thank you for your recent donation of \$20,000 on January 21 to MacEwan University's Women's Basketball program.

With your help MacEwan University is becoming a modern and responsive undergraduate university increasing and sustaining access to education for our community. We are relocating programs to bring a growing student body together in the heart of the city with even more access to academic programs, student services, and amenities. This diverse, inspiring community provides an enriched academic and social experience as students study and share ideas and philosophies with their peers. Through your generosity you have shown us that you support MacEwan University's vision of **offering an outstanding educational experience to our community.**

Your backing helps Griffin student athletes achieve their athletic and academic goals. Thank you for investing in MacEwan University student athletes.

Sincerely,
