Linda Sloan

Dear Linda

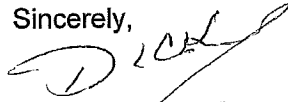

In order to achieve our goal of rescuing, rehabilitating and re-homing dogs in need, **hart** relies on the compassion of our volunteer network as well as donations from individuals concerned about the plight of stray and abandoned dogs, such as yourself. With your generous support, **hart** was able to bring 121 dogs in from the cold in 2013 to a life filled with warmth, security and love. That brings the total number of dogs given a new leash on life by **hart** to 956 since our inception in 2003!

hart volunteers often comment that they are able to literally watch the weight of survival be lifted off of the shoulders of rescued dogs as they recover and learn to trust. We know that together, we will be able to offer that chance to many more deserving dogs.

I encourage you to visit our website at www.humaneanimalrescueteam.ca for upcoming events, initiatives and our Happy Tails section to see what you have helped us achieve for forgotten dogs.

Thank you for your donation to **hart**

Sincerely,

Dick Innes
