Note: The applicant shall pay the difference in fees, prior to third reading of the amending Bylaw, for any application resulting in a Zone in a higher fee category than that initially applied for, whether the application was amended by the applicant, the Planning and Development Department, or City Council. If the resulting Zone is in a lower fee category, no refund shall be made.

Direct Control Rezoning and Special Area Zones

1. ADMINISTRATIVE (Standard Zone → DC or DC → DC)

Description: To be used where a standard zone is being converted to a DC for a minor technical reason or an approved DC zone requires an amendment to deal with a change to a minor design detail.

(i.e. moving (not adding or deleting) landscaping elements, moving waste facilities)

- Changes to a site plan where the main structure(s)/character are not changing;
- Removal of uses from Standard Zone;
- Minor numerical change to regulation(s) from Standard Zone;
- Removal of regulation(s) from Standard Zone;
- Minor amendments to previously approved DC.

Base fee of \$6,553

2. MINOR (Standard Zone → DC or DC → DC)

Description: Changes to the character of the site that do not significantly change the intensity of the use.

(i.e. suburban townhouse development with higher level architecture or landscaping than the standard zone, addition of uses to standard zone or approved DC)

1. Resembles a standard zone with minor changes to uses that change the character of the zone;
2. Addition or changes to regulation(s) from Standard Zone;
3. No increase to FAR from existing zoning;
4. Only “architectural” changes to height that do not result in additional floor area.

Base fee of \$6,553 + \$0.52 / m² (buildable floor area = site size * FAR)

3. MAJOR (Standard Zone → DC or DC → DC)

Description: Significant changes to the character and intensity of uses.

(i.e. commercial, residential and mixed use towers, adding residential uses to commercial site or non-residential uses to residential site, large-site rezonings, most infill projects)

- Increase two or more of FAR / height / density;
- Major additions of uses from previous standard zone or DC;
- Major changes or additions of regulations from standard zone or DC;
- Application requires comprehensive site planning supported by technical studies;
- Any application that meets the criteria of the Large Site Rezoning Process.

Base fee of \$13,104 + \$0.88 / m² (buildable floor area = site size * FAR)
