5) Maintaining market share in the greater Edmonton area and assist area businesses to remain vital.

6) Attracting new businesses to the area.

7) Maintaining the working relationship with the various entities that make Old Strathcona unique.

(S.2(e), Bylaw 17787, December 13, 2016)
JUSTIFICATION FOR THE

OLD STRATHCONA BUSINESS IMPROVEMENT AREA (BRZ) BOUNDARY

The Old Strathcona Merchants Association has worked within specific borders for the past four years and have used these same borders to formulate the BRZ area. The area and businesses proposed for inclusion in the BRZ form the commercial core of Old Strathcona, and in so doing, encompass all parcels which have a commercial zoning under the Edmonton Land Use Bylaw. The proposed BRZ area contains a full range of businesses, including automotive and equipment related, business support, convenience shopping, entertainment, personal service and professional office related uses, to name a few, and is considered a complete service community.

In considering the boundary for the proposed BRZ, we have consciously excluded any areas which have as their primary form of development either notable concentrations of residential or industrial-oriented uses. The inclusion of all businesses along Whyte Avenue, from 99 Street to 109 Street, will strengthen the bond and feeling of continuity and community along this backbone of the business community in Old Strathcona.
