

District Off-Leash Areas : Frequently Asked Questions

Q What is a District Off-Leash Area?

A An area with off-leash use as a top priority. District off-leash areas recommended for future enhancements are Lauderdale and Jackie Parker off-leash areas.

Q How many District Off-Leash Areas will there be?

A The Dogs in Open Spaces Strategy recommends one in each district of the City:

- Northwest
- Northeast
- Southwest
- Southeast

Q Who uses District Off-Leash Areas?

A District off-leash areas are shared-use parks, meaning Edmontonians also use them for activities like walking, running and biking.

Q What is the difference between Neighbourhood Off-Leash Areas and District Off-Leash Areas?

A District off-leash areas are larger in size (5-10 acres) and serve residents within a 20 minute drive.

Neighbourhood off leash areas are smaller (0.5-5 acres) and serve fewer residents, within a 20 minute walk.
