

Welcome to the Lauderdale Off-Leash Pilot Project Open House!

Purpose

The Dogs in Open Spaces Strategy identified Lauderdale as one of the District Off-Leash Areas recommended for enhancement.

Strong involvement from local community groups advocating for the off-leash area enabled the development of the pilot project.

We Are Here to Listen

We would like to collect your feedback regarding current park use and future park amenities. At each table we will explore one of the following 5 themes:

1. Natural Features & Site Conditions
2. Site Location & Context
3. Amenities
4. Landscaping & Beautification
5. Safety & Security

Stay connected and complete the online survey at:
