of the Second Part

1 AMENDMENT AND TERMINATION

- 1.01 WITNESS that this Agreement shall become effective upon the first day of the pay period following ratification by the parties and shall continue in force and effect beyond the expiration date from year to year thereafter unless terminated by written notice from either party to the other not more than ninety (90) days, nor less than thirty (30) days, prior to the expiration date. 5 RECOGNITION

- 5.01 The City recognizes the Association, through its accredited officers or representatives, as the exclusive agent for those members covered by this Agreement, for the purpose of collective bargaining in respect to wages, hours of work, fringe benefits, working conditions and pensions.
- 5.02 The City agrees to deduct from the wages of each member covered by this Agreement dues and assessments that the Association may levy from time to time. Dues shall be deducted on a bi-weekly basis and remitted to the Association. Assessments shall be deducted as decided by the membership.
- 5.03 The Association shall inform the City as to the names and addresses of its officials. The Association shall also inform the City in writing of any changes to such list of names.

5.04 Employee Information Reports

At least once per year, the Service shall provide the Association with the following information regarding employees in positions that fall within the Association's jurisdiction:

- A list of employee names, telephone numbers and addresses; and
- A list of current year retired and retiring employees, including retirement dates.

This information is provided with the mutual understanding that the Association will use such personal information for the express purpose of carrying out the Association's responsibilities as the exclusive agent of employees covered by this Agreement, as these responsibilities relate to their members' employment relationship with the City of Edmonton.

The Association shall take all reasonable steps to store and manage this information to prevent its use in a way that is not authorized by this collective agreement and/or applicable privacy legislation.

6 WORKING CONDITIONS

- * 6.01 The regular hours of duty for each member shall be eighty (80) hours bi-weekly, generally scheduled Monday to Friday based on operational requirements. Subject to the terms and conditions of this Agreement, the Chief of Police reserves the right to call to duty any member at any time.
 - 6.01.01 The member acknowledges that this is a management position with hours of work that may vary based on the needs of the Edmonton Police Service. The member agrees that the position is not entitled to and will not be compensated for any additional hours of work that may from time to time be required and the annual salary takes into account such additional hours of work.
 - 6.01.02 **SPECIAL ASSIGNMENT PAY**

In recognition of the need in exceptional circumstances (e.g. Natural Disaster) or where a member is assigned to a special project and is also required to maintain their regular activities, compensation will be provided on an hour for hour basis, where a request has been approved by the Chief of Police (or designate). The parties agree that prior approval will be required whenever reasonably possible.

Members will have the option to bank hours approved by the Chief of Police (or designate) as Special Assignment Pay.

6.02 Accumulated Time

Where banking time is permitted by the Service:

- Members may accumulate a maximum dollar bank up to the time equivalent of 320 hours. This maximum includes the carry-over from the previous payroll year and all hours accumulated from the start of the year in the current payroll year.

Members may re-accumulate credits up to the 320 hour limit, where their accumulated balance is reduced (via approved periods of paid time off or by cash pay-outs).

Members will be permitted to bank additional dollars if, after an increase to their regular rate of pay, the dollar credits carried over and current year accumulation no longer total the time equivalent of 320 hours.

Similarly, the payroll system will pay out the excess banked time credits if an employee has a rate change or transfer, where the resulting effect to the banked time would mean the member would be over the maximum balance.

- 6.02.01 Upon application, a member having accumulated dollar credits may draw any portion of such accumulated credits as a lump sum pay out or as paid time off, provided that time off does not conflict or interfere with the efficient operation of the service. The paid time off shall be calculated by dividing the dollar amount credited to an individual member's accumulated time bank, by the member's regular rate of pay at the time the accumulated credits are taken.
 - 6.02.02 Upon termination of employment with the Service, the member shall receive a pay out of their total accumulated dollar bank.
- * **6.03 Duty Officer**
 - ** The Edmonton Police Service and the Association agree that the following terms and conditions of employment shall apply to the Duty Officer. Where a conflict or difference exists between clauses of the collective agreement, the specified provisions contained below shall prevail for employees in the Duty Officer position.

**** 6.03.01 WATCH**

“Watch” shall mean a scheduled tour of duty not exceeding twelve (12) hours.

- “First Watch” shall mean a watch, the major portion of which falls between 24:00 and 08:00 hours.
- “Second Watch” shall mean a watch, the major portion of which falls between 08:00 hours and 16:00 hours.
- “Third Watch” shall mean a watch, the major portion of which falls between 16:00 hours and 24:00 hours.
- Where a watch falls equally within two (2) of the above mentioned time periods, that watch shall be determined by the time period in which it commenced.

**** 6.03.01.01 Watch Differential**

Members who work a watch one-half (½) or more of which falls between 16:00 and 24:00 shall receive a watch differential of \$1.10 per hour.

Members who work a watch one-half (½) or more of which falls between 24:00 and 08:00 hours shall receive a watch differential of \$1.20 per hour.

A member shall be eligible for watch differential for regularly scheduled hours worked on statutory holidays.

- 6.03.02 A member required to work a watch a major portion of which falls between 16:00 hours and 24:00 hours on Christmas Eve and/or New Year's Eve shall receive two and one-half (2½) times the regular hourly rate of pay assigned their rank for said watch, however, a member may, at the discretion of the Chief of Police, be excused from such duty without loss of regular pay.

Duty Officers will have the option of banking the dollar value of hours worked on either Christmas Eve or New Year's Eve.

**** 6.03.03 OVERTIME**

Members required to work hours in excess of their assigned watch shall be paid at two (2) times their regular rate of pay for such excess hours.

**** 6.03.04 STATUTORY HOLIDAY – CHRISTMAS EVE AND NEW YEAR'S EVE**

A member required to work a watch, a major portion of which falls between 16:00 hours and 24:00 hours on Christmas Eve and/or New Year's Eve, shall receive two and one-half (2.5) times the regular hourly rate of pay assigned their rank for said watch. However, a member may, at the discretion of the Chief of Police, be excused from such duty without loss of regular pay.

Duty Officers will have the option of banking the dollar value of hours worked on either Christmas Eve or New Year's Eve.

6.04 Court Time

- 6.04.01 A member who is detailed for first watch duty and required to attend both forenoon and afternoon sessions at Court on the same calendar day, may apply for, and be granted the watch preceding or following such sessions off, subject to the operational requirements of the Police Service. If approved, hours equivalent to one (1) regular watch shall be deducted from their accumulated time or vacation. After attendance at Court, such member will be credited with appropriate Court time.

- 6.04.02 A member who is detailed for third watch duty and required to attend both forenoon and afternoon sessions at Court on the same calendar day, may apply

for, and be relieved from duty for said watch, subject to the operational requirements of the Police Service. After attendance at Court, such member will be credited with appropriate Court time.

- 6.04.03 When a member is required to and does attend Court to carry out their duty as a witness during hours other than those of their watch, they shall be allowed equivalent Court time credit but not less than four (4) hours for each such attendance, provided that no member shall be credited for more than one Court appearance in the forenoon and one in the afternoon of any one calendar day, provided, however, that where such attendance or attendances commence during the one (1) hour immediately preceding their watch or are completed within one (1) hour immediately following their watch, they shall be paid at the specified overtime premium for the interval between the scheduled commencement time of the appearance and the commencement of their watch or between the termination of their watch and the completion time of their Court appearance, as the case may be.
- 6.04.04 On a day a member finished their last watch at or between 02:00 hours and 08:00 hours, the minimum Court time credit allowed for one Court appearance (a.m. or p.m.) shall be five (5) hours. If a member attends Court as a witness in the forenoon and afternoon of the same calendar day, they shall be credited with ten (10) hours.
- 6.04.05 On one of a member's off duty days, the credit allowance for one Court appearance (a.m. or p.m.) shall be eight (8) hours. If a member attends Court as a witness in both the forenoon and afternoon of the same off duty day, they shall be credited with sixteen (16) hours.
- 6.04.06 It shall be the duty of members to attend any Court when required. If any prescribed witness fee is payable for such attendance, the same shall be remitted to the City.

6.04.07 NOTICE OF CANCELLATION OR CHANGE

Members shall receive a minimum of eight (8) hours notice of a cancellation or change in a Court appearance. In the event that a member does not receive the above notice and upon appearing at Court finds the session has been cancelled or re-scheduled, they shall receive the appropriate minimum Court time credit allowed for one Court appearance (morning or afternoon).

- a) Members who receive notice of cancellation or re-scheduling of a court session from the Crown within the two (2) hour period of the time they were required to appear, shall not be required to appear at Court to be eligible for the appropriate minimum Court time credited.
- b) Members shall not be eligible for afternoon court time credit in instances where they are subpoenaed to attend forenoon and afternoon Court, and they are advised by the Crown in the forenoon that afternoon Court attendance is not required.
- 6.04.08 Court sessions shall be credited as forenoon (a.m.) or afternoon (p.m.) in accordance with the following:
- 6.04.08.01 A Court attendance shall constitute a forenoon (a.m.) session when a member attends a Court session which commences in the forenoon (a.m.) and adjourns at or prior to 12:30 p.m.
- 6.04.08.02 A Court attendance shall constitute an afternoon (p.m.) session when a member attends a Court session which commences in the afternoon (p.m.).

- 6.04.08.03 A Court attendance will constitute a forenoon (a.m.) and afternoon (p.m.) Court appearance when a member attends a Court session which commences in the forenoon and adjourns after 12:30 p.m.
- 6.04.09 Where a member is required by subpoena to attend and give evidence in a Court more than forty (40) kilometres outside of the City, the following provisions shall apply:
- 6.04.09.01 If the member's trip is during the course of scheduled weekly hours, the member will receive straight-time rate but will be relieved of normal duties for at least eight (8) hours prior to the commencement of their trip and at the conclusion of their trip.
- 6.04.09.02 In order to accommodate 6.04.09.01, there will be no penalty for the employer for any shift change required to relieve the member of duties prior to and after their trip.
- 6.04.09.03 Each day that the member is on such duty will be considered as an eight (8) hour tour of duty. No overtime provision will apply nor there any reduction to the consideration of an eight (8) hour tour of duty if the member's trip is in fact less than eight (8) hours in duration.
- 6.04.09.04 The member will receive per diem allowances for meals and expenses (including commercial transportation expenses) as per the current City Policy.
- 6.04.09.05 If the member's trip involves a day of scheduled weekly leave, then the member will receive twice the member's hourly rate of pay for each hour travelled.
- 6.04.09.06 The Chief may authorize a member to utilize their private vehicle in lieu of commercial travel and the member shall be reimbursed in accordance with City Policy.
- 6.04.10 If the member is required by subpoena to attend Court outside the City, the member shall first determine if a department vehicle is available for transportation. In the event that a department vehicle is unavailable, the member may utilize their private vehicle and the Service agrees to pay the appropriate City of Edmonton rate for mileage (mileage will be calculated for miles driven outside the City limits). In no event will mileage be paid for Court appearances within the City of Edmonton.
- 6.04.11 A member, who is in receipt of disability benefits from the Income Protection Plan, will remain on their normal schedule and if required to attend Court sessions as a witness, shall be compensated in accordance with the provisions of 6.04. A member who is in receipt of disability benefits from the Long Term Disability Plan is not entitled to Court Time benefits. A member who has been receiving Workers' Compensation benefits will remain on their normal schedule and if required to attend Court sessions as a witness, shall be compensated in accordance with the provisions of 6.04.
- 6.04.12 A member, who is on voluntary leave of absence, and is required to attend Court sessions as a witness, shall be considered to be on second watch and shall receive four (4) hours' pay at their regular rate of pay for each forenoon or afternoon Court session attended, subject to 6.04.08.01 and 6.04.08.02.

- 9.01 A member shall earn vacation credits commencing with the bi-weekly pay period in which their date of entry into the City's service occurs and continue to earn such credits from pay period to pay period thereafter, based on the following:
- 9.01.01 Fifteen (15) times the average daily hours of work per annum upon entry into the City's service.

Where agreement is not reached, the City shall determine whether a pay-out or a carryover occurs. A member who is allowed to carry over vacation credits in excess of allowable carryover shall be provided one (1) year in which to use such excess credits.

- 9.05 On termination of employment, for whatever reason, a member shall be paid out for any unused vacation credits at their regular rate of pay for the position to which the member is permanently appointed or serving a trial term thereof. In the case of death, payment shall be made to the member's estate.

- 9.09 If an employee produces evidence within twenty-four (24) hours of their return to work, satisfactory to the City, proving that they were incapacitated to the extent which required the employee to be confined to residence or hospitalized, through non-occupational sickness and/or injury for a period of three (3) working days or more during their annual vacation, such whole period shall not be included in the employee's annual vacation entitlement, but shall be charged to the employee's sick pay entitlement, subject to the agreement of the City. The conversion of vacation to income protection will only be considered if the employee had reported the disability to the City during the period of confinement. Decisions on an employee request to convert vacation to Income Protection shall be copied to the Association.
- 9.10 All necessary and reasonable travel expenses, including food and lodging, actually incurred by a member of the Service in returning them from vacation to undertake any duty required of them during their annual vacation, shall be paid by the City and shall include all expenses of returning to the place from which said member had to return to undertake such duty, provided, however, that if a member is advised that they are required to attend Court during the vacation period allotted to them, they shall have the responsibility of bringing these circumstances to the attention of the Chief of Police immediately upon being so advised.

12 HEALTH AND WELFARE BENEFITS

Every member covered by this Agreement shall be bound by the conditions specified in the plans developed for the member's security as agreed upon by the City and the Association and shall be eligible for such benefits as are set forth in these plans which are attached as Part II.

13 SUPPLEMENTATION OF COMPENSATION AWARD

If a member is disabled on account of a compensable accident or illness which occurs as a result of their employment with the City and which is recognized by the Board and the Board awards a disability benefit to the member, this plan shall provide supplementary payment to the member, the payment hereunder to be supplementary to the Board's disability benefit and other pensions, payments or benefits not personally contracted for by the member, in accordance with the following conditions:

- 13.01 If a member is disabled on account of an accident or illness that occurs in the course of their work for the City, and the accident or illness is recognized as being compensable by the Board through payment of a disability benefit to the member, the City shall make a supplementary payment so that the combined payment to the member from the Board's disability benefit, other pensions not personally contracted for by the member and the supplementary payment hereunder, equal one hundred (100) percent of the member's net pay.

It is understood that payments such as annuities or awards payable to the member as a result of a Criminal Injuries Compensation Award, or a civil suit against any third party, arising out of the accident or illness giving rise to this supplementary benefit, or other lump sum payments as defined in clause 13.04, shall be calculated in the monies received by the member, as if it were a pension not personally contracted for by the member and shall offset any supplementary payment due under this clause. Lump sum payments shall be dealt with in accordance with clause 13.04 hereof.

- 13.02 When a member is disabled, the City's supplementation payment described in 13.01 shall continue until such time as:
- the member returns to work;
 - the member reaches the age of sixty-five (65) years;
 - upon termination of employment; or
 - until such time as earnings from alternate gainful employment together with any pensions, annuities and awards not personally contracted for by the member, payable to them, are equal to or greater than the net pay as defined in 13.07.04, whichever occurs first.

It is understood that, if a member is able to engage in alternate gainful employment, earnings from such employment shall offset the amount of the supplementation payable by the City. If the member is medically able to engage in alternate gainful employment, but refuses to do so, any obligation on the part of the City to make supplementation payments shall cease and desist.

- 13.03 Should a question arise as to the member's medical capabilities, including whether or not a member is capable of performing any job, the City shall have the right to consult with the member's physician in order to obtain a report as to the member's medical capability of performing work or a job and/or to refer the member to a physician appointed by but not employed by the City for medical examination in that regard. In the event that the member refuses to allow consultation, or refuses to take a medical examination as requested by the City, any responsibility of the City, or any rights of the member under the provisions of Article 13, shall be suspended for the period that the member refuses or fails to allow the consultation or to take the examination, and the member will have no entitlement to benefits hereunder during the period their rights are suspended.

In the event a dispute arises concerning the member's medical capability to perform work, or any job, the same shall be settled by the Workers' Compensation Board review and appeal processes for workers and employers.

- 13.04 In the event that a member is awarded a payment as a result of a Criminal Injuries Compensation Award, or civil suit against any third party arising out of the accident or illness giving rise to the supplementary benefit, or receives refunds from pensions, health and welfare or other similar plans that have not been personally contracted for (which hereafter are referred to as a "lump sum payment"), the member shall choose one of the options (a) to (c) enumerated below.
- a) The lump sum payment shall be actuarially equated by the City to a monthly value based on pro-rating the payment over the normal remaining service life of the member to age sixty-five (65) and such monthly value shall be deducted from the amount of the supplementation owed by the City, or
 - b) The member may accept the lump sum payment and, in so doing, shall automatically release the City from any and all obligations for supplementation, or
 - c) The member may irrevocably assign the lump sum payment to the City, and the City shall then be obligated to continue supplementation of compensation payments to the member in accordance with the provisions of Article 13. It is understood and agreed that if the City brings action against any third party in the name of the member, and a lump sum payment results, the lump sum payment value to be used in the application of this clause is the amount awarded by the Court less the costs incurred by the City or the member, in pursuing the action.
- 13.05 Subject to the rights of the Workers' Compensation Board pursuant to the Workers' Compensation Act, if the City makes any payment or assumes any liability therefore under this Plan, it is subrogated to all rights of recovery of the member (whatever is applicable) and may bring action in the name of the member to enforce those rights.
- 13.06 The City and the member may at any time agree to a lump sum cash settlement in lieu of supplementation of compensation payments.

The member will have seven (7) calendar days to comply with the final warning. Return to work is defined as returning to active duty and regular hours of work, and excludes any paid or unpaid leaves of absence.

- 1.01.01 An employee who is absent from work due to personal disability (as defined in the Income Protection Plan), for one (1) complete pay period or more, during the ninety (90) calendar day waiting period shall have the waiting period extended by the number of working days the employee was absent due to such disability.
- 1.01.02 An employee who is on approved leave of absence without pay during the waiting period, for a period of one (1) complete pay period or more, shall have the waiting period extended by the number of working days the employee was absent due to such leave.
- 1.02 The cost of the Income Protection Plan shall be paid by the City and the Income Protection Plan shall be administered by the City.

1.03 Benefits

Except as otherwise provided in this Agreement, when a member is unable to perform the duties of a police officer due to personal non-occupational disability, such member shall be entitled to receive benefits from the Income Protection Plan for each period of absence from work in accordance with the following provisions. Benefits shall be based on regular rate of pay immediately prior to the commencement of such disability, subject to the provisions of 1.04.

Length of Continuous Service	Income Protection Benefits at 100% of the Regular Rate of Pay (the lesser of the following)
Less than 90 calendar days	0 working days or 0 hours
90 calendar days or more	85 working days or 680 hours

A member who has received the lesser of eighty-five (85) working days or six hundred eighty (680) hours of Income Protection benefits at one hundred percent (100%) of the regular rate of pay in any payroll year shall receive all subsequent Income Protection benefits in the payroll year at the rate of ninety percent (90%) of the member's regular rate of pay upon their return to work.

If such member is in receipt of benefits at ninety percent (90%) of the regular rate of pay on the last day in a payroll year, the member shall not qualify for Income Protection benefits at one hundred percent (100%) of the regular rate of pay until they return to work for ten (10) consecutive working days.

The term "payroll year" shall mean the pay periods used by the City to determine gross earnings for the purposes of producing yearly earnings statements for income tax purposes.

A member who is in receipt of Long Term Disability benefits and who is engaged in approved alternative employment in accordance with Article 2.13. and is unable to perform the duties of the alternate position due to personal non-occupational disability shall be entitled to receive Income Protection benefits for each period of absence from work. Such members shall receive an entitlement equal to the lesser of ten (10) working days or eighty (80) hours of benefits in a payroll year and shall be paid for such benefits at one hundred percent (100%) of the regular rate of pay of the alternate position.

- 1.03.01 If a member is absent from work due to personal non-occupational disability on the first scheduled working day for which the member would otherwise be eligible for increased Income Protection Benefit Entitlement, the member shall not become eligible for such increased entitlement until they return to work for the City for a period of at least ten (10) consecutive working days. Periods of leave of absence without pay in excess of one (1) complete pay period, shall not be considered as continuous employment for the purpose of determining Income Protection Benefit Entitlement. For accreditation purposes, a member's anniversary date shall be adjusted by the number of days of leave of absence without pay.
- 1.03.02 If a member is unable to perform the duties of their regular position but is capable of performing modified or alternative policing duties for the Police Service, the member may be required to perform such modified or alternative duties until the member is again capable of performing the duties of their regular position.
- 1.03.03 A member's eligibility for Income Protection benefits, including their ability to perform alternative policing duties shall be determined by the Plan Adjudicator and shall be based on medical evidence. The Plan Adjudicator shall be appointed by the City.
- 1.03.04 When a question arises as to whether a member's disability is occupational and the disability is under review by the Workers' Compensation Board, the member shall receive Income Protection benefits in accordance with the member's entitlement until the claim is adjudicated by the Workers' Compensation Board. In the event that the Workers' Compensation Board determines that the disability is occupational, the member shall reimburse the Income Protection Plan, from any monies which may be owed to the member, for the period of absence for which the claim is considered occupational and for which the member received benefits under the Income Protection Plan.
- 1.03.05 Except as otherwise provided in this Agreement, the monetary value of Income Protection Plan benefits payable under this Plan shall be reduced by any amounts the member may be entitled to from the sources set out as follows, whether or not such amounts are provided for the disability for which benefits are being claimed:
 - 1.03.05.01 Benefits from the Canada Pension Plan and/or Quebec Pension Plan, except those Canada Pension Plan and/or Quebec Pension Plan disability benefits payable on behalf of the member's dependents.
 - 1.03.05.02 Any monthly income payable as a result of the member's disability from any plan not personally contracted for by the member including those plans for which the member has made contributions as a result of Provincial or Federal

legislation.

- 1.03.05.03 Any other disability benefits payable to the member as a result of Provincial or Federal legislation. Notwithstanding the above, the City's plans will be considered the first payer with respect to Employment Insurance disability benefits only, subject to the requirements of the Employment Insurance Premium Reduction Program.
- 1.03.05.04 Any monies received from the Crimes Compensation Board which are specifically provided for loss of income.
- 1.03.05.05 Any monies received from the Workers' Compensation Board either directly or by way of lump sum payments or disability pensions in respect of a disability for which benefits are claimed under this Plan.
- 1.04 In the event that an adjustment to the regular rate of pay occurs during the period of time that a member is in receipt of Income Protection benefits, such member shall receive the adjusted rate of pay effective from the date of adjustment.
- 1.05 A member who is compelled to arrange a personal medical or dental appointment during working hours shall be allowed to meet such appointment on City time and without loss of pay, provided that the member is absent from work for a period of three (3) hours or less. Such member shall not be obliged to make up the time spent away from work to keep the appointment. Medical and dental appointments which require the member to be absent from work for longer than three (3) hours shall be debited from a member's accumulated Income Protection benefits.
- However, an employee whose absence exceeds three (3) hours for a medical or dental appointment may use banked overtime or vacation credits for the hours or portion thereof in excess of three (3) hours in order to avoid having the absence counted as an incident of absence.
- 1.06 Each period of absence from work due to non-occupational disability which exceeds three (3) hours, shall be counted as one incident of absence for the purposes of this Plan.
- During any payroll year and in order to control absenteeism, the Police Chief shall have the discretion to inform a member that subsequent incidents of absence in any payroll year shall be payable at seventy-five percent (75%) of the member's regular rate of pay.
- The above noted practice may be implemented after considering a member's absence record in any payroll year. The member shall be provided notice of such practice. Prior to implementing the practice, the Police Chief shall advise and consult with the Association.
- Subject to approval by the Plan Administrator, a member who is receiving on-going therapeutic treatment for a life threatening disability, and as a result is absent from work for periods in excess of three (3) hours to undergo such treatment session, may have the entire number of such treatment sessions considered as one (1) incident of absence in any payroll year.

1.07 Recurring Disabilities

Return to work is defined as returning to active duty and regular hours of work, and excludes any paid or unpaid leaves of absence.

- 1.07.01 If a member returns to work after a period of disability and becomes disabled again within thirty (30) calendar days of their return to work due to causes related to the earlier disability, then the second period of disability shall be

considered as an extension of the earlier period of disability and only the balance of Income Protection benefits remaining from the earlier disability shall be payable.

- 1.07.02 If a member returns to work after a period of disability and becomes disabled again within ten (10) calendar days of their return to work due to causes unrelated to the earlier disability, then the second period of disability shall be considered as an extension of the earlier period of disability and only the balance of Income Protection benefits remaining from the earlier disability shall be payable.
- 1.07.03 Notwithstanding the provisions of 1.07.01 and 1.07.02, each period of absence due to personal non-occupational disability shall be considered as one (1) incident of disability.

1.08 Other Benefits While Disabled

A member who is in receipt of Income Protection benefits shall continue to be covered under all City benefit plans for which the member is eligible based on the member's regular rate of pay. A member shall continue to pay applicable member contributions and the City will continue to pay its share of the cost of applicable City benefit plans.

1.09 Duration of Benefits

Eligibility for Income Protection benefits will cease upon the earliest of the following dates:

- 1.09.01 The date the member is no longer disabled from performing policing duties.
- 1.09.02 The date the member's Income Protection benefits have been expended.
- 1.09.03 The date the member dies.
- 1.09.04 In the case of a member who is laid off from the City, the date such layoff is effective. This clause shall not apply when the period of disability commences prior to the notice of layoff and continues beyond the date such layoff is effective.

1.10 Alternative Employment with the City

If, while in receipt of Income Protection benefits, a member remains unable, due to personal non-occupational disability, to perform the duties of their regular position but is capable of performing alternative policing duties and such alternative duties are offered to the member by the Police Service and the member does not accept such alternative duties, then Income Protection benefits will cease on the date the member would otherwise have commenced the alternative duties.

- 1.11 A member engaged in any other employment or business activity while in receipt of short term disability, long term disability, or worker's compensation benefits, without the express written consent of the Plan Adjudicator and the Chief of Police may be rendered ineligible for any further benefits and/or subject to investigation in accordance with the appropriate discipline process.

2 LONG TERM DISABILITY PLAN

2.01 Waiting Period

A permanent or probationary employee who has not attained their normal retirement age and who has completed ninety (90) calendar days of continuous civic employment since the last date they commenced employment as a permanent or probationary employee with the City shall be a member of the Long Term Disability Plan. However, an employee who is absent from work on the date that they would have been eligible to participate in the Long Term Disability Plan shall not be eligible to participate in the Plan until they have returned to work for the City for a period of at least ten (10) consecutive working days. Return to work is defined as returning to active duty and regular hours of work, and excludes any paid or unpaid leaves of absence.

- 2.01.01 When an employee is absent from work during the waiting period due to personal disability for one (1) complete pay period or more, the employee shall have their waiting period extended by the number of working days they were absent due to such disability. When the waiting period is so extended the employee may be required to undergo a medical assessment prior to joining the Long Term Disability Plan in order that any pre-existing conditions might be documented.
- 2.01.02 When an employee is on approved leave of absence without pay during the waiting period for one (1) complete pay period or more, the employee shall have their waiting period extended by the number of working days they were absent due to such leave.

2.02 Contributions

The cost of the Long Term Disability Plan shall be paid by members of the Plan through payroll deduction effective upon the date of membership in the Plan. For members who are receiving Long Term Disability benefits and who are not engaged in alternative employment, contributions to the Long Term Disability Plan will be waived. Employees, who are members of the Plan, but unable to receive benefits because their disability arises from a pre-existing condition as per the terms of Article 2.15.02 shall continue to contribute premiums to the Long Term Disability Plan.

The City shall administer the Long Term Disability Plan.

2.03 Eligibility for Benefits

A member will not be eligible to receive Long Term Disability benefits until their Income Protection benefits have expired.

- * 2.03.01 A member's eligibility for Long Term Disability benefits, including their ability to perform alternative employment shall be determined by the Plan Adjudicator. The costs of the Plan Adjudicator shall be borne by the Long Term Disability Plan. The Plan Adjudicator shall be appointed by the City.

In the event **that a member disputes the eligibility decision of the Plan Adjudicator, the member may request a review of the decision by:**

- a single independent physician agreed to by the City/Service and the Association; or,
- where the City/Service and the Association do not agree to a single physician, with a review panel comprised of the Plan Adjudicator (**or designate**), the

physician representing the member, and an independent physician.

The City/Service and the Association shall attempt to agree upon the selection of the independent physician. If the City/Service and the Association cannot agree upon the selection within **thirty (30)** calendar days, the process outlined in the Duty to Accommodate Framework Agreement (Procedures for obtaining Expert Opinions) shall be used to select the independent physician.

The single independent physician or review panel shall review the record relied on by the Plan Adjudicator in making its decision and either affirm or reverse the eligibility decision. The decision of the single independent physician or the majority of the review panel members shall be final and binding on the member, **the Plan Adjudicator**, the City/Service and the Association.

The cost of the **single independent physician or** review panel shall be borne by the Long Term Disability Plan. The decision of the single independent physician or the review panel must be consistent with the provisions of Article 2.15 - *Limitations and Exclusions*.

With the advance mutual agreement of the Police Service and the Association, grievances concerning the duty to accommodate members on the basis of physical or mental disability that cannot be settled by the process outlined above may be referred to the "Specialized Grievance and Arbitration Mechanism pursuant to the Duty to Accommodate Framework Agreement".

- 2.04 Except as otherwise provided in this Agreement, upon expiration of the member's Income Protection benefits, and during the following twenty-four (24) month period, a member is eligible to receive Long Term Disability benefits if, due to personal non-occupational disability, they are completely unable to perform the duties of their regular position or alternative policing duties which are made available by the Police Service.
- 2.05 Except as otherwise provided in this Agreement, Long Term Disability benefits will continue to be paid after the initial twenty-four (24) month period only if the disability prevents the member from engaging in an occupation for compensation or profit for which the member is reasonably suited by reason of training, education and experience. If the disability does not prevent the member from engaging in an occupation for compensation or profit for which the member is reasonably suited by reason of training, education and experience, and such member is not engaged in rehabilitative employment or training which has been approved by the Plan Adjudicator, then Long Term Disability benefits to such member will cease upon expiration of the initial twenty-four (24) month period.

"Initial twenty-four (24) month period" when used in reference to the Long Term Disability Plan shall mean a twenty-four (24) month period beginning on the date a member commences receiving Long Term Disability benefits and during which time the member is continuously disabled from the duties of their regular position including any period of time defined in 2.12, 2.13 and 2.14.

In accordance with the terms of Article 2.12 the period of rehabilitative employment and/or training may be extended beyond twenty-four (24) months and this extension shall be included as part of the definition of "initial twenty-four (24) month period".

"An occupation for compensation or profit for which the member is reasonably suited by reason of training, education and experience" when used in reference to the Long Term Disability Plan shall mean an occupation which provides their regular rate of pay. The regular rate of pay shall be adjusted each January 1 by the percentage change in the Consumer Price Index for the Edmonton region during the

twelve (12) month period ending on the previous November 30.

2.06 Duration of Benefits

Eligibility for Long Term Disability benefits will cease upon the earliest of the following dates:

- 2.06.01 The date the member attains their normal retirement age sixty-five (65) years.
- 2.06.02 The date the member is no longer disabled as defined by the terms of this Plan.
- 2.06.03 The date the member dies.
- 2.06.04 In the case of a member who is laid off from the City, the date such layoff is effective. This clause shall not apply when the period of disability commences and the employee was eligible to receive Income Protection or Long Term Disability benefits, prior to the notice of layoff and the disability has continued beyond the date such layoff is effective.
- 2.06.05 The date the member is terminated from the employ of the City unless the member is engaged in approved rehabilitative employment with another employer.
- ** 2.06.06 The date the member resigns from the employ of the City.**

2.07 Level of Benefits Provided

Unless otherwise provided in this Agreement, the Long Term Disability benefit shall be an amount equal to a percentage of the annualized regular rate of pay of the position to which the member was permanently appointed or serving the required probationary period or trial term thereof on the date they were first eligible for Long Term Disability benefits. The annualized regular rate of pay for full-time members shall be calculated by multiplying the hourly regular rate of pay times the scheduled hours of work or, if the member's regular rate of pay is a bi-weekly rate, then multiplying the bi-weekly rate times twenty-six point one (26.1). The percentage of annualized regular rate of pay which is paid as the Long Term Disability benefit shall be in accordance with the following:

Annualized Regular Rate of Pay	Long Term Disability Benefit (percentage of Annualized Regular Rate of Pay)
\$40,000.99 or less	55%
\$40,001 to \$50,000.99	54%
\$50,001 to \$60,000.99	53%
\$60,001 to \$65,000.99	52%
\$65,001 to \$70,000.99	51%
\$70,001 or more	50%

The maximum monthly benefit payable shall not exceed five thousand dollars (\$5,000). The Long Term Disability benefit payable shall be paid monthly, in arrears, and shall be determined by dividing the annual benefit payable by twelve (12).

The amount determined above shall be reduced by any amounts the member may

be entitled to from the sources set out as follows:

- 2.07.01 Benefits to which the member is entitled as a result of their disability from the Canada Pension Plan and/or Quebec Pension Plan, except those Canada Pension Plan and/or Quebec Pension Plan disability benefits payable on behalf of the member's dependents. Any cost of living increases to Canada Pension Plan and/or Quebec Pension Plan disability benefits after commencement of Long Term Disability benefits will not affect the amount of Long Term Disability benefit payable.
- 2.07.02 Any monthly income payable as a result of the member's disability from any Plan including those Plans for which the member has made contributions as a result of Provincial or Federal legislation.
- 2.07.03 Any other disability benefits payable to the member as a result of Provincial or Federal legislation.
- 2.07.04 Any monies received from the Crimes Compensation Board but only if related to the disability for which benefits are claimed under this Plan.
- 2.07.05 Any monies received from self-employment income unless the employment was part of an approved rehabilitation program wherein the provisions of Articles 2.13 and 2.14 would apply.

2.08 Lump Sum Settlements

In the event that a member receives a lump sum payment for loss of income from any source not personally contracted for by the member, including a civil suit arising from the accident or illness giving rise to Long Term Disability benefits, the member shall have one of the following options:

- 2.08.01 The lump sum payment shall be actuarially equated by a qualified actuary appointed by the Plan Adjudicator to a monthly amount based on pro-rating the lump sum payment over the remaining service life of the member to normal retirement age, and such monthly amounts shall be deducted from the amount of the monthly Long Term Disability benefit payable under this Plan. In calculating the monthly amounts to which the lump sum payment is actuarially equated, the actuary will assume that, on January 1 of each year, such monthly amount will be increased by the lesser of the percentage increase in the Consumer Price Index for the Edmonton region during the twelve (12) month period ending on the previous November 30, or five percent (5%).

Where such monthly amounts exceed the monthly Long Term Disability benefit, the member, in accepting the lump sum payment, shall automatically release the City and the Association from any and all obligations to the member under this Plan.
- 2.08.02 The member may irrevocably assign the lump sum payment to the Long Term Disability Plan and the Plan shall then be obligated to continue Long Term Disability benefits to the member in accordance with the provisions of this Plan.

2.09 Coverage Under Other Benefit Plans While Disabled

During the initial twenty-four (24) month period, a member who is receiving Long Term Disability benefits will continue to participate in the City's Group Life Insurance Plan, Dental Plan, Supplementary Health Care Plan, Alberta Health Care Plan and Health Care Spending Account in accordance with the terms and conditions of those Plans. Member and City contributions to such Plans will be paid by the Long Term Disability Plan except that, if the member qualifies for the waiver

of premium benefit under the Group Life Insurance Plan, City contributions to the Group Life Insurance Plan will be paid by the Long Term Disability Plan.

- 2.10 If after expiration of the initial twenty-four (24) month period the member continues to receive Long Term Disability benefits, coverage under the City's Alberta Health Care Plan, Health Care Spending Account, Supplementary Health Care Plan and Dental Plan shall continue if the member opts to continue coverage in accordance with the terms of the Plans in question and member and City contributions to such plans shall be paid by the Long Term Disability Plan.
- 2.11 While in receipt of Long Term Disability benefits, a member shall continue to belong to applicable pension plans. Member and City contributions shall continue to be made to such plans based on the rate of pay prescribed under the applicable Government Pension Plan. Member and City contributions shall be paid by the Long Term Disability Plan.

2.12 Rehabilitative Employment and Training

During the initial twenty-four (24) month period following commencement of Long Term Disability benefits, members who are in receipt of Long Term Disability benefits and who, in the opinion of the Plan Adjudicator, will not be able to perform policing duties for the duration of the initial twenty-four (24) month period and thereafter may be required to engage in rehabilitative employment and/or training which is approved by the Plan Adjudicator.

Members who refuse to enter into or fully participate in approved rehabilitative employment and/or training shall have their Long Term Disability benefits discontinued effective upon the date they would have commenced such employment and/or training. However, in no case will a member be allowed to participate or be compelled to participate in any rehabilitative employment and/or training without the approval of the Adjudicator, the consent of the member's attending physician and the approval of the City.

In the event that these three (3) parties cannot unanimously agree as to the member's ability to engage in rehabilitative training and/or employment, then the matter shall be settled by referring the dispute to a hearing with:

- a single independent physician; or,
- where the City/Service and the Association do not agree to a single physician, to a hearing with a review panel comprised of the Plan Adjudicator, the physician representing the member, and an independent physician.

The City/Service and the Association shall attempt to agree upon the selection of the independent physician. If the City/Service and the Association cannot agree upon the selection within 30 calendar days, the process outlined in the Duty to Accommodate Framework Agreement (Procedures for obtaining Expert Opinions) shall be used to select the independent physician.

The hearing shall be chaired by a representative of the City/Service and both the Association and the Plan Adjudicator shall have the opportunity to make submissions at the hearing. The decision of the single independent physician or the majority of the review panel members shall be final and binding on the member, the City/Service and the Association. The City or Service appointed chairperson shall not be a voting participant in the decision-making process of the review panel.

The cost of the review panel shall be borne by the Long Term Disability Plan. The decision of the single independent physician or the review panel must be consistent with the provisions of article 2.15 - Limitations and Exclusions.

With the advance mutual agreement of the Police Service and the Association, grievances concerning the duty to accommodate members on the basis of physical or mental disability that cannot be settled by the process outlined above may be referred to the "Specialized Grievance and Arbitration Mechanism pursuant to the Duty to Accommodate Framework Agreement".

Long Term Disability benefits payable in conjunction with an approved program of rehabilitative training and/or employment shall be payable for a maximum period of twenty-four (24) months, unless an extension of such rehabilitation period is approved by the Plan Adjudicator.

The rehabilitative employment and/or training may include one or more of the following activities:

- 2.12.01 employment in a non-policing occupation which is compatible with the nature of the disability and the medical prognosis or
- 2.12.02 participation in a formal secondary, vocational or post-secondary training program or
- 2.12.03 such other arrangements which are judged by the City/Service to be in the best interests of the member, the City/Service and the Plan.

2.13 Rehabilitative Employment and/or Training with the City

If, during the initial twenty-four (24) month period following commencement of Long Term Disability benefits, a member remains unable, due to personal non-occupational disability, to perform policing duties but engages in rehabilitative employment and/or training with the City, then the Long Term Disability benefits will continue for the balance of the initial twenty-four (24) month period. However, the Long Term Disability benefits will be reduced to fifty percent (50%) of the amount by which the member's regular rate of pay on the date they first became eligible to receive Long Term Disability benefits exceeds the regular rate of pay of any alternative employment and/or training provided always that the resultant amount is not less than the Long Term Disability benefit the member was receiving prior to engaging in the alternative employment, nor greater than the member's regular rate of pay on the date they first became eligible to receive Long Term Disability benefits (adjusted by any negotiated increases).

- 2.13.01 If, during the initial twenty-four (24) month period, a member engages in rehabilitative employment and/or training with the City, such member will continue to participate in applicable City benefit plans based on their regular rate of pay on the date they first became eligible to receive Long Term Disability benefits. Member and City contributions to applicable City benefit plans will be paid by the Long Term Disability Plan, except that, if the member qualifies for the waiver of premium benefit under the Group Life Insurance Plan, no employee contributions to the Group Life Insurance Plan will be required while the member so qualifies.
- 2.13.02 If, during the initial twenty-four (24) month period, a member engages in rehabilitative employment and/or training with the City, and becomes unable due to personal non-occupational disability, to perform the duties of the rehabilitative employment, then for ten (10) working days of absence due to such disability in any calendar year, they shall be eligible to receive Income Protection benefits based upon the regular rate of pay of any rehabilitative employment. Any Long Term Disability benefits payable in accordance with this section will continue during the ten (10) working days. If the periods of absence exceed ten (10) working days in any calendar year, the member shall receive

Long Term Disability benefits for the period in excess of ten (10) working days based on their regular rate of pay on the date they first became eligible for Long Term Disability benefits.

2.14 Rehabilitative Employment and/or Training with an Employer Other Than the City

- 2.14.01 If, during the initial twenty-four (24) month period, a member remains unable, due to personal non-occupational disability, to perform policing duties but engages in gainful employment with another employer, and such outside employment is approved by the Plan Adjudicator, the Long Term Disability benefits will continue for the balance of the initial twenty-four (24) month period. However, the Long Term Disability benefits will reduce to fifty percent (50%) of the amount by which the member's bi-weekly rate of pay on the date they first became eligible for Long Term Disability benefits exceeds the average bi-weekly income from such approved outside employment provided always that the resultant amount is not less than the Long Term Disability benefit the member was receiving prior to engaging in alternative employment, nor greater than the member's regular rate of pay on the date they first became eligible to receive Long Term Disability benefits (adjusted by any negotiated increases).
- 2.14.02 A member who is engaged in approved employment with another employer and who is in receipt of Long Term Disability benefits in accordance with this section shall continue their participation in the City's Alberta Health Care Plan, Supplementary Health Care Plan, Dental Plan and Group Life Insurance Plan unless they have similar coverage under other such plans. Member and City contributions to such plans shall be paid by the Long Term Disability Plan, except that if the member qualifies for the waiver of premium benefit under the Group Life Insurance Plan, no employee contributions to the Group Life Insurance Plan shall be required while the member so qualifies.
- 2.14.03 A member who is engaged in approved employment with another employer and who is in receipt of Long Term Disability benefits in accordance with this section shall continue to belong to applicable pension plans provided this is consistent with the regulations of the pension plans. Member and City contributions to such plans shall continue to be made based on the rate of pay prescribed under the applicable Government Pension Plan. Member and City contributions shall be paid by the Long Term Disability Plan.
- 2.14.04 When a member's participation in the City's Alberta Health Care Plan, Supplementary Health Care Plan, Dental Plan, Group Life Insurance Plan or applicable pension plans is continued in accordance with this section, it is specifically provided that their participation in such plans will cease upon expiration of the initial twenty-four (24) month period or when the member no longer continues to receive Long Term Disability benefits, whichever occurs first.
- 2.14.05 A member engaged in any other employment or business activity while in receipt of short term disability, long term disability, or worker's compensation benefits, without the express written consent of the Plan Adjudicator and the Chief of Police may be rendered ineligible for any further benefits and/or subject to investigation in accordance with the appropriate discipline process.

2.15 Limitations and Exclusions

- 2.15.01 No Long Term Disability benefits will be payable for a period during which the member is not under the care and treatment of a physician legally licensed to practice medicine. If such attending physician is not legally licensed to practice medicine in Canada, approval from the Plan Adjudicator must be obtained.
- 2.15.02 No Long Term Disability benefits are payable for a period of disability which commences during the twelve (12) month period following initial membership in the Long Term Disability Plan if such disability results directly or indirectly from an injury or illness for which medical treatment was received or prescribed drugs taken during the one hundred eighty (180) day period prior to becoming a member of the Long Term Disability Plan.

2.16 Cost of Living Increases

Long Term Disability payments will be reviewed annually by the Long Term Disability Advisory Board. The Board shall review and consider an annual actuarial valuation and report and may recommend to the Plan Administrator adjustments to Long Term Disability payments.

2.17 Recurring Disabilities

Return to work is defined as returning to active duty and regular hours of work, and excludes any paid or unpaid leaves of absence.

- 2.17.01 A member who returns to work for the City after a period of disability during which Long Term Disability benefits were paid and becomes disabled again within one hundred eighty (180) calendar days of their return to work due to causes related to the earlier disability, and the second period of disability covers ten (10) working days or more, and the second period of disability is not fully covered by the Income Protection Plan, then the second period of disability shall be considered as an extension of the earlier period of disability and Long Term Disability benefits shall recommence immediately based on the member's regular rate of pay on the date the second period of disability began.
- 2.17.02 A member who returns to work for the City after a period of disability during which Long Term Disability benefits were paid and becomes disabled again within thirty (30) calendar days of their return to work due to causes unrelated to the earlier disability and the second period of disability is not fully covered by the Income Protection Plan, then the second period of disability shall be considered an extension of the earlier period of disability and Long Term Disability benefits shall recommence immediately based on the member's regular rate of pay on the date the second period of disability began.

2.18 Long Term Disability Plan Advisory Board

A Long Term Disability Plan Advisory Board shall be established to advise the Plan Administrator in accordance with the following:

- 2.18.01 The Board shall have the authority to recommend to the Plan Administrator administrative practices and yearly adjustments to Long Term Disability payments which are in progress.
- 2.18.02 The Board shall be composed of three (3) representatives from the City and three (3) representatives from the Association.

 - ii) Unmarried children under age twenty-five (25) who are attending school

full-time and who are chiefly dependent on the member for support.

Evidence that the child is in full-time attendance at school will be required.

- iii) Unmarried children of any age who are incapable of self-sustaining employment by reason of mental or physical **disability** and who are chiefly dependent on the member for **financial** support, **conditional upon:**

Medical evidence provided of the dependent child's incapacitation;

Evidence the member claims the child as a dependent on their tax return, confirmed annually;

Evidence the member's dependent child has applied for the Severely Handicapped (AISH) benefits.

Once the member has satisfied the conditions outlined above, coverage shall be extended under the City's group health and dental benefits. It is agreed that if the member's dependent child is approved for AISH benefits, all eligible benefit expenses will first be adjudicated for coverage under the AISH plan. Any remaining expenses may then be submitted for adjudication to the City's health and dental benefit plans.

A child of a common-law spouse who is not also the member's child may be claimed as a dependent only if:

- i) The common-law spouse satisfies the definition of dependent, and
- ii) Evidence is provided that the child is chiefly dependent on the member for support.

For pension purposes, the definition contained in the applicable pension plan will apply.

10.02.06 LIFE EVENT

The words "Life Event" when used in this agreement shall mean:

- Marriage or cohabitation with a common-law spouse for a continuous one (1) year period
- Birth, adoption or change in custody of a dependent child
- Divorce
- Legal separation or the ending of a common-law relationship
- Death of a spouse or dependent child
- Involuntary loss of a spouse's or dependent child's coverage under the spouse's employer's plan, or
- Dependent no longer qualified as a dependent under the plan.

10.03 Validation of Claims

10.03.01 A member shall complete and submit any form, and perform any reasonable obligation required of them by the City or the Adjudicator of a plan, to substantiate and/or justify any claim for benefits. In the event that a member refuses to perform obligations required of them, any benefits and rights provided by these plans shall be suspended for the period that the member so refuses.

- * 10.03.02 **The City of Plan Adjudicator may require that, in order to qualify for Income Protection Benefits or Long Term Disability, the member provide medical information in the form provided by the City, completed and signed by a qualified physician, in such a manner and at such time as may be determined by the City or Plan Adjudicator. When the City or the Plan Adjudicator require such medical information, that information shall include the following:**
- the general nature of the illness or injury;
 - confirmation there is a treatment plan and the member is compliant with the

plan;

- the specific manner(s) in which the member is limited from performing the various aspects of their employment responsibilities;
- an indication of what, if any, modified duties the member is capable of performing;
- an estimated duration of the absence; and
- other reasonable information that may be requested.

The member shall provide updated medical information upon reasonable request by the City or Plan Adjudicator, but at least prior to the estimated expiration of the absence for as long as the member remains on Income Protection Benefits or Long Term Disability.

If the medical information provided is not satisfactory to the City or Plan Adjudicator to qualify for Income Protection Benefits or Long Term Disability, the City or Plan Adjudicator will provide the member with a final opportunity to provide satisfactory medical information from the member's physician. The City or Plan Adjudicator may cover reasonable costs associated in providing additional medical information. The member will have seven (7) calendar days to provide the information. If the medical information provided is not satisfactory to the City or Plan Adjudicator, the City or Plan Adjudicator may require the member to undergo an independent medical evaluation (IME). The physician performing the IME shall be appropriately qualified and selected by the City or Plan Adjudicator. If an IME is directed, the member shall cooperate with reasonable requests made by the physician, including requests for relevant medical information. Following the examination, the physician shall provide an assessment of the member's fitness to perform their duties to the City or Plan Adjudicator and a copy of the IME report will be provided to the member's physician.

- 10.03.03 A claim for benefits arising from an illness or injury which occurred outside of the Province of Alberta must be supported by the submission of a medical certificate describing the illness or injury and signed by a licensed physician. Such claims are also subject to validation by one or more of the following processes as may be required by the City:
- 10.03.03.01 the submission of receipts for drugs prescribed during the illness or injury (such drugs to be subject to verification as appropriate);
 - 10.03.03.02 the submission of evidence that the physician from whom treatment was received and/or by whom the medical certificate was signed is a medical practitioner in good standing with the medical authorities in the province, state or country;
 - 10.03.03.03 completion of a medical assessment by a medical authority appointed by the City or Plan Adjudicator;
 - 10.03.03.04 such other processes as may be necessary to validate the claims.
- 10.03.04 An employee who has been absent from work due to a disability may be required to produce a medical certificate signed by a licensed physician which states that such employee is medically fit to return to the duties of their position, in order to be eligible to return to work.
- 10.03.05 An employee/member shall be responsible for ensuring the accuracy and validity of all claims.

10.04 Benefits Entitlement During Leaves of Absence

- 10.04.01 An employee/member who is absent from work without pay shall not be eligible to receive benefits from any plan for the period of the absence, except for the Alberta Health Care, Group Life Insurance, Supplementary Health Care and Dental Plans, provided that the employee/member has made arrangements to prepay the total premium contributions of such Plans.
- 10.04.02 An employee/member who has been granted leave of absence without pay for the purpose of performing full-time Association business shall be responsible for making the employee/member contributions to the Plans, and the Association shall be responsible for making the City contributions to the Plans in respect of such employee/member and the employee/member shall be eligible for benefits in accordance with the terms of the Plans. The regular rate of pay for such employee shall be the rate of pay received by the employee from the Association except that Pension Plan contributions shall be determined by the regular rate of pay prescribed by the applicable pension board.

10.05 Benefit Entitlement During Layoff

Employees who are laid off from the civic service shall cease to be members of any benefit plans commencing on the effective date of layoff, unless specified otherwise in this Agreement.

11 ADMINISTRATION OF PLANS

- 11.01 A separate fund for premium contributions shall be established for each Plan as applicable. Annual statements reporting the experience, interest earnings or losses, and administrative costs of each of these Plans shall be prepared and provided to the Association. Contributions and interest earnings which accrue as a result of favourable experience shall be retained in each respective fund to offset costs at a future date.
- 11.02 In the event that a Plan makes a payment to a member which exceeds the amount which the member is entitled to receive according to the Collective Agreement, the City shall deduct from the member's pay cheque a dollar amount equivalent to the dollar amount which the employee received in excess of their entitlement and shall allocate such funds to the appropriate Plan.
- 11.03 The parties agree that although benefit entitlements in the Collective Agreement are expressed in days or portions thereof, the City may administer these benefits in hour equivalents.
- 11.04 An advisory committee shall be formed in respect to each Plan named in this Collective Agreement or the parties may mutually agree to establish one advisory committee to review all Plans named in this Collective Agreement. Each committee shall make recommendations to the parties on administrative difficulties, investments and policy changes. Each advisory committee shall be composed of an equal number of representatives from the Association and the City. The advisory committees for the Dental and Supplementary Health Care Plans shall be empowered to adjudicate appeals.

ADDENDA

* #1 Specialized Grievance and Arbitration Mechanisms Pursuant to The Duty to Accommodate Framework Agreement

1 ORGANIZATIONAL CHANGE INITIATIVES

Should the City introduce organizational initiatives which may result in the displacement of member(s) in the bargaining unit, the City will notify the Association with six (6) months, or as much advance notice as reasonably possible in the event of extenuating circumstances. The City will undertake to meet as reasonably required with the Association and discuss and develop reasonable measures to protect the interests of members so affected.

2 RETENTION OF EXPERIENCED SENIOR POLICE OFFICERS

Both parties recognize the important benefits of and value in maintaining an experienced, highly skilled work force. The City is prepared to recognize the value of retaining experienced senior police officers that are prepared to commit to continued service beyond 25 years.

In order to assist with the retention of experienced senior police officers, the City is prepared to provide an additional three percent (3%) above the base pay for members who are in the ranks of Inspector and Superintendent. The additional pay will only be applicable to those members of the Edmonton Police Service Senior Officers' Association in the above-noted ranks who have completed 25 years of City police officer service and are currently working in their 26th year or more.

This Letter of Understanding (LOU) shall become null and void at the expiry date of this collective agreement, unless the City of Edmonton and the Edmonton Police Service Senior Officers' Association mutually agree to an extension. Failing an agreement to extend the LOU, those members who become eligible between the date of ratification and the expiry date of this collective agreement to receive this additional pay of three percent (3%) will continue to receive this payment until the member either retires, resigns, is terminated or is promoted to a rank outside the scope of this collective agreement, but no other members will become eligible following the expiration date of this Letter of Understanding.

3 STAFFING OF SUPERINTENDENT VACANCIES

This letter relates to the process to be followed for staffing vacancies within the Edmonton Police Service (EPS) at the rank of Superintendent.

The parties previously entered into a Letter of Understanding signed June 26, 2014, which addressed this issue.

In order to enhance and strengthen communication between them, the Parties have agreed that it is advantageous and mutually beneficial to replace that previous Letter of Understanding with a more detailed explanation of the process to which they have agreed, and to further clarify certain specific elements that are included in the process.

From time to time vacancies at the Superintendent rank occur as a result of resignations, retirements, or the creation of new positions. The parties hereby agree that the process for staffing these specific Superintendent vacancies, if it is determined by the Chief that they need to be filled, shall be managed in accordance with the following terms and conditions.

The parties agree that the goal of the selection process is to staff the vacant position with the most suitable candidate, taking into consideration qualifications, merit, fit, and organizational need.

The process of identifying candidates for either lateral transfer or promotion into one of the above-described Superintendent positions will be initiated by the Chief of Police. The position shall be posted by Human Resource Division (HRD) for a period of at least 14 calendar days. In exigent circumstances the posting period may be shorter, but in such circumstances it is agreed that the Chief of Police will advise the Association of the shorter period and the reason for them.

All such postings will be open to substantive Superintendents, and to Inspectors following their successful "Confirmation to the Rank" of Inspector.

All applications shall be made through the approved Human Resources Division policies and procedures and may require the submission of a resume or other materials in support of the application.

Chief's Committee shall review the applications, and may choose to create a shortlist from the applications received. Chief's Committee may choose to conduct interviews of all applicants, or only those on the shortlist. The Chief may appoint a sub-committee to conduct the interviews and may include individuals from outside the Service to participate in or to conduct the interviews.

The matters to be considered by the Chief's Committee in its deliberations shall be:

- Qualifications;
- Merit;
- Fit;
- Organizational need, one aspect of which is providing developmental opportunities in appropriate cases.

The reasons for the decision of the Committee shall be recorded. A copy of the reasons as they relate to the candidate's qualifications, merit, fit and organizational need shall be provided to each unsuccessful applicant. If no successful candidate is identified from the applicants, then, after all the unsuccessful candidates are notified, the position may be filled by the appointment of a substantive Superintendent or qualified Inspector who did not submit an application to the original competition.

An unsuccessful applicant may, within ten (10) business days of receiving the written reasons, request a meeting with **their** Deputy Chief, or the Deputy Chief/Chief Administrative Officer in charge of Corporate Services Bureau, for direct and frank feedback.

Addendum #1

1 SPECIALIZED GRIEVANCE AND ARBITRATION MECHANISMS PURSUANT TO THE DUTY TO ACCOMMODATE FRAMEWORK AGREEMENT

INTRODUCTION

The parties to this collective agreement are participants in the City of Edmonton – Civic Union Workplace Relationship Agreement, and the Duty to Accommodate Framework Agreement (“the Framework Agreement”) entered into under the auspices of the Working Relationship Agreement.

In the Framework Agreement, the participants agree to establish specialized grievance and arbitration mechanisms to resolve disputes over the duty to accommodate, modifying, or in lieu of, the grievance and arbitration provisions in their collective agreements. The reasons and purposes for such specialized processes include recognition that:

The duty to accommodate can involve obligations and remedies that transcend bargaining unit boundaries, and thus involve a need for dispute resolution where additional parties can participate so as to avoid multiple proceedings.

The duty to accommodate is a process not just a result; that it is time sensitive; and that the rights and obligations can change over time; all of which can favour informal, expedited and specialized processes.

While statutory human rights procedures exist, collective agreement arbitration provides a parallel procedure which, if suitably adapted, offers a more flexible and timely way of resolving accommodation issues for the civic workforce; and

Although expedited procedures will normally be the chosen option for resolving such disputes, parties may at times choose instead to follow their more formal arbitration procedures, which they should remain free to pursue, subject to modifications for individual and affected union participation and a pre-arbitration mediation process.

Therefore:

The parties to the collective agreement agree to use the following alternative grievance and arbitration procedure for cases falling within the scope of this Addendum.

1. SCOPE

1.1 This procedure applies to grievances concerning the duty to accommodate employees on the basis of physical or mental disability.

1.2 This procedure does not apply to:

1.2.1 Cases where employees seek accommodation as a result of an addiction said to be a physical or mental disability, or

1.2.2 Cases where employees raise accommodation issues only after being terminated by the City of Edmonton.

2. INITIATING A GRIEVANCE

2.1 Grievances may be initiated during the course of an accommodation process to obtain a decision on a particular decision point in that process even though other steps remain to be taken.

2.2 A grievance may concern:

2.2.1 Whether an employee seeking accommodation has a mental or physical disability that gives rise to a need for accommodation

2.2.2 What, if any, restrictions or requirements arise from the employee's disability.

2.2.3 A decision by the City of Edmonton not to accept a measure that might be undertaken to accommodate the employee's needs in their existing job or some other job (whether modified or not), whether based on undue hardship or any other reason.

2.2.4 A decision by an Employee or the Union to decline to accept as a reasonable or suitable accommodation, a measure proposed by the City of Edmonton.

2.2.5 The failure or refusal by any Union or Association to give any necessary consent to any aspect of a proposed measure that might be undertaken to accommodate an employee's needs, whether that failure or refusal is based on conflicting collective agreement provisions, undue hardship, or otherwise.

2.2.6 The assignment of an employee to a position within a different bargaining unit or any terms and conditions attached to that assignment; or

2.2.7 Whether any trial period for an accommodation measure has succeeded.

2.3 In these procedures, "parties" mean the parties to this collective agreement and any other affected Union or Unions. It does not include an individual with a right to be represented or heard separately during any arbitration procedure.

2.4 Prior to filing a grievance under clause 2.2 of this Letter the party will follow the provisions for precipitating a decision on a decision point in the Framework Agreement and shall first advise all affected parties of their wish for a decision on the issue.

2.5 On receipt of a request for a decision, the City's Disability Management

Consultant, the Union or Unions involved, and such other persons whose presence may be necessary or appropriate to the decision, will meet for a full and frank discussion in an attempt to reach agreement on the question.

- 2.6 If the initial request or, following discussion, the agreed upon issue, is a question of the employee's disability, capacity, or the requirement of any job or proposed job, the parties will initiate the process of obtaining an independent report on the issue in accordance with the procedures in the Framework Agreement. Any professional opinion or factual report obtained as a result of those processes shall be accepted as prima facie proof in any subsequent arbitration proceedings.
- 2.7 The party requesting a decision and the party whose decision is sought may agree in writing to continue to assess the matter in an agreed upon manner.
- 2.8 Following the meeting referred to in clause 2.4, and unless clauses 2.5 and 2.6 (all in this Letter) apply, the party required to make a decision will provide that decision in writing within fifteen (15) working days of the initial request.
- 2.9 If a decision on a decision point is agreed to, it will be implemented forthwith, according to the terms. If no grievance disputing the decision is initiated within fifteen (15) working days following the decision, it will be treated as agreed upon and any proposed action may be implemented unilaterally. A grievance over any decision described in clause 2.2 of this Letter may be filed by the parties to this collective agreement or by another Union affected by the decision. The dispute shall be submitted in writing to the roster Coordinator, with a copy of the dispute provided to the Police Service Superintendent or Executive Director of Human Resources.

3. SEPARATE REPRESENTATION

- 3.1 Where an individual is directly affected by the subject matter of a decision, and their interests may conflict with the position being advanced by their bargaining agent, they may be separately represented in any arbitration process. The form of that separate representation shall be determined by their bargaining agent. Separately represented employees shall not have the authority to advance a matter to arbitration or to insist on formal rather than expedited arbitration.

4. EXPEDITED ARBITRATION

- 4.1 All grievances will be heard initially by a member of the expedited arbitration roster. Unless the parties agree to a particular member of the roster, the roster coordinator will assign a member from the City's arbitration roster to hear the grievance.
- 4.2 The roster member assigned to hear the grievance will convene a meeting of the parties and any individual entitled to separate representation. The purpose of that meeting will be to:
 - 4.2.1 Ensure the issues in dispute are defined;
 - 4.2.2 Determine whether the parties agree to expedited arbitration or wish to have all or part of the issue resolved by a formal process;
 - 4.2.3 If the parties accept expedited arbitration, to set a time, date and place for an expedited arbitration hearing with that roster member;
 - 4.2.4 If a party selects formal arbitration, set a time, place and date for a "without prejudice" pre-arbitration mediation with the roster member or any other agreed upon mediator;
 - 4.2.5 Discuss any other matter that, in the opinion of the roster member, is appropriate;

- 4.2.6 Unless formal arbitration has been selected, grant interim orders where there are substantial reasons for doing so and where the order can be made in a manner that accords with the Framework Agreement;
- 4.2.7 Where the parties agree, do anything at the first meeting that might be done at the expedited arbitration or mediation stages.
- 4.3 Every attempt will be made to hold the meeting referred to in clause 4.2 of this Letter within ten (10) working days of the date the grievance is received by the roster Coordinator, and may be in person or, with the consent of the affected parties, by teleconference. A failure to hold the meeting within ten (10) working days will not constitute loss of jurisdiction.
- 4.4 The roster member will provide participants with minutes of the first meeting, including any agreements reached, along with directions for a mediation meeting or an expedited arbitration hearing.

5. EXPEDITED ARBITRATION

- 5.1 The Roster member shall hear the grievance informally and expeditiously, providing the parties and any separately represented member the opportunity to adduce evidence and be heard, following which the member will issue a summary award on the grievance. The award will be provided in writing.
- 5.2 The parties will implement the award forthwith, according to its terms.
- 5.3 Awards under the expedited process will be confined to the issue raised in the grievance on the particular decision point. Any further issues that arise in respect to the duty to accommodate that same individual will be dealt with through a continuation or resumption of the Framework Agreement processes and if needed, by a further grievance on any subsequent decision point, rather than through the expedited arbitrator remaining seized with the matter.

6. GRIEVANCE MEDIATION

- 6.1 Where the parties have selected formal arbitration, the arbitration board will be appointed and scheduling commenced as outlined in Article 11-Grievance Procedure, clauses 11.07 through 11.14, following the first meeting referred to in clause 4.2 of this Letter. At the same time, the parties and any separately represented employee will participate in a "without prejudice" mediation meeting with the Roster member or another agreed upon mediator.
- 6.2 Participants in the mediation will each be represented by a person or persons familiar with the matter who will make good faith efforts to resolve the matter and who have decision making authority.
- 6.3 Settlements reached through informal mediation shall, where they resolve the full issue, be incorporated into a consent award of the Roster member as an arbitrator, or where they resolve some issues only, be incorporated into an agreed statement of facts or position to be placed by consent before the formal arbitrator or arbitration panel.
- 6.4 Other than the documents referred to in clause 6.3 of this Letter, the discussions during informal mediation shall be privileged and shall not be referred to in any subsequent arbitration or other proceeding.
- 6.5 The cost of the roster Coordinator's administrative duties shall be paid by the City of Edmonton. The cost of the mediation or expedited arbitration duties of the panel members will be shared jointly between the City of Edmonton and the Union or Unions involved in individual cases. Where there is more than one Union involved in a particular case, the Union's half of the costs shall be divided equally between them unless the mediator or expedited arbitrator orders some different

appointment.

7. FORMAL ARBITRATION

- 7.1 Where a party insists on formal arbitration, that arbitration will be established and conducted in accordance with the arbitration procedure in this collective agreement, modified as necessary to comport with the Framework Agreement.
- 7.2 Where, in addition to the Union under this collective agreement, there is another affected Union in respect of the dispute, the following provisions will apply.
- 7.2.1 The decision of the arbitration board will be final and binding on all parties;
- 7.2.2 Except to the extent this agreement provides for, or other parties agree upon, a single arbitrator, the Unions will attempt to agree upon a single nominee, failing which a Union nominee will be selected by the Roster member assigned to conduct the informal mediation.
- 7.2.3 The costs of any nominee, and of the Chair, will be shared by the Unions equally, unless the arbitrator or arbitration board awards some different apportionment.
- 7.3 In addition to any other powers provided by law or by the Collective Agreement, the arbitrator or arbitration board may, on the request of any affected party, by interim order, direct what ought to be done, or not be done, pending the arbitration hearing or ruling. Interim orders shall only be granted where there are substantial reasons for doing so, and shall be made in a manner that best accords with the provisions of the Framework Agreement.
- 7.4 Arbitrators shall be selected from the list of Framework Agreement arbitrators, either with the agreement of the Service and the Association, or on the basis of the rotation provided for in the Framework Agreement.
- 7.5 Where an arbitrator or arbitration board, appointed under this collective agreement, finds that the matter or any part of the matter arising in that arbitration properly falls within the scope of the letter of understanding, the arbitrator or arbitration board may direct the parties to pursue the matter in accordance with the provisions of this Letter of Understanding.
- 7.6 The arbitrator or arbitration board may make any directions as to timeliness or other procedural issue that appears just in all the circumstances. An application under this clause may be made by any party affected by the issue in question whether or not that party is a party signatory to the collective agreement. No such application may be made by an individual employee.

8. DURATION AND TERMINATION

- 8.1 This Letter of Understanding shall continue in force beyond the expiry date of the Collective Agreement, and shall be renewed with each successor agreement if both parties mutually agree.
- 8.2 In the event a party to the Duty to Accommodate Framework Agreement withdraws from participation in the Agreement, this Letter of Understanding shall cease to be in force on the date the notice period expires. Grievances currently in progress shall continue to utilize the process outlined in this Letter of Understanding until the decision of the roster member is received.
