

FACT SHEET

17 Street Corridor Planning Whitemud Drive to Knightsbridge Road (105 Avenue)

BACKGROUND

The City of Edmonton and Strathcona County are jointly undertaking planning for the 17 Street corridor between Whitemud Drive and Knightsbridge Road (105 Avenue). This is required to accommodate future growth and connections to the greater transportation network, including upgrades to Anthony Henday Drive. Concept planning will be completed for this entire corridor, and additional preliminary engineering work will be completed north of the Sherwood Park Freeway.

HIGHLIGHTS

- Future traffic projection of approximately 17,000 vehicles per day, with over 15% consisting of heavy vehicles such as trucks
- 17 Street will be upgraded to two lanes each for northbound and southbound traffic
- Connections will be improved at Sherwood Park Freeway
- Traffic, noise, access management and safety reviews will be undertaken as part of the work plan

PROJECT TIMELINE
