VALLEY LINE SOUTHEAST  
DOWNTOWN TO MILL WOODS

The Valley Line is a 27-km urban-style LRT line that will operate between Mill Woods in southeast Edmonton and Lewis Farms in west Edmonton. It is being developed in two stages: Valley Line Southeast between Mill Woods and 102 Street downtown (currently under construction) and Valley Line West between 102 Street downtown and the Lewis Farms Transit Centre (currently being procured for construction).

About

Construction activities on the southeast part of the Valley Line started in spring of 2016. The Valley Line Southeast is expected to open to the public in 2021.

The Valley Line Southeast has a capital cost of $1.8 billion, and has been made possible through key funding partnerships with the Province of Alberta and Government of Canada.

- **The City of Edmonton** is contributing **$800 million**.
- **The Province of Alberta** is contributing **$600 million**
- **The Government of Canada** is contributing **$400 million**

Urban LRT

Edmonton’s current LRT system can best be described as a suburban system. The City’s LRT Network Plan calls for a change in approach to an urban LRT system that improves connections between the LRT and city life.

An urban LRT system means:

- Building smaller-scale stops that are spaced closer together
- Providing better links to a greater number of destinations, with more direct transit, pedestrian and cyclist connections as well as bicycle parking at each stop/station
- Maximizing openness of space to create a safe environment
- Reducing speeds in congested areas to support safe, pedestrian-oriented communities
- Investing in landscaping, streetscaping and architectural features to improve visual appeal
Artist's rendering of Davies Station

**Highlights**

- 11 street-level stops
- An elevated station with a 1,300-spot Park and Ride facility and a full transit centre located in the Wagner industrial area
- The new Tawatinâ Bridge across North Saskatchewan River
- A short tunnel from the north face of the River Valley through to the Quarters redevelopment
- An interchange point at Churchill Square to access the existing Metro and Capital LRT lines
