(a) at the date of signing this Agreement, no conflict of interest exists or is likely to arise in the performance of its obligations under this Agreement; and

(b) if, during the term of this Agreement, any such conflict of interest or risk of conflict of interest arises, the Independent Certifier will notify the PA Parties immediately in writing of that conflict of interest or risk of conflict of interest and take such steps as may be required by each of the PA Parties to avoid or mitigate that conflict of interest or risk.

The Independent Certifier shall not engage the services of a Subconsultant without first obtaining the written approval of the PA Parties, such approval not to be unreasonably withheld. The Independent Certifier agrees that:

(iv) the terms of this Agreement shall in all events be binding upon the Independent Certifier regardless of the existence of any inconsistent or contrary terms in any agreement between the Independent Certifier and any Subconsultant whether or not and without regard to the fact that the PA Parties may have directly or indirectly had notice of any such inconsistent term;

(v) the Independent Certifier shall require each Subconsultant to comply with the terms and conditions of this Agreement to the extent applicable to the specific Functions performed by the Subconsultant; and

(vi) the Independent Certifier is responsible and liable for the Functions performed by, and for the acts and omissions of, each Subconsultant and its personnel to the same degree as if the Functions were performed by, or the acts or omissions were those of, the Independent Certifier or its partners, directors or employees.

No agreement between the Independent Certifier and a Subconsultant creates any contractual or other legal relationship between any of the PA Parties and the Subconsultant.
