Construction Notice: Valley Line West LRT
87 Avenue between 180 and 182 Streets Borehole Testing

- Effective on or around February 10 to February 12, 2021, crews will be verifying local ground conditions on 87 Avenue between 180 and 182 Streets.
- Marigold Infrastructure Partners will be taking underground samples that will provide important data to guide the design and construction of the LRT infrastructure.

87 Avenue between 180 and 182 Streets

- Construction will occur on the southside of 87 Avenue between 180 and 182 Streets. The right lane may be closed on 87 Avenue eastbound between 180 and 182 Streets for short durations of time during off-peak hours (9 a.m. - 3 p.m.)
- Pedestrians will be rerouted onto the boulevard.
- Signage will be present to guide pedestrians during construction. You can expect some light engine noise.
- We will make every effort to reduce the impact to the public.

The information in this bulletin is current to February 8, 2021. Please note that all dates are approximate and weather-dependent. We thank you for your patience during construction of the Valley Line West LRT.
