

Construction Notice: Valley Line West LRT

AREA 6

Overnight Construction Work – 87 Avenue between 175 Street and 180 Street Borehole Testing

- On or around April 23, 2021, crews will be verifying local ground conditions in the area of 87 Avenue between 175 Street and 180 Street.
- Marigold Infrastructure Partners will be taking underground samples that will provide important data to guide the design and construction of the LRT infrastructure.

87 Avenue between 175 Street and 180 Street

- Crews will begin by surveying the area; this is expected to last approximately three days. Surveying will occur during off-peak hours (9 a.m. – 3 p.m. Friday and 7 a.m. – 7 p.m. on Saturday and Sunday). Borehole drilling will begin once the surveying is completed.
- Borehole drilling will occur during overnight hours (9 p.m. – 6 a.m.) and is expected to last approximately one month.
- In order to perform this work, periodic closures of the westbound inside lane on 87 Avenue between 175 Street and 180 Street will be required.

- Turns will be permitted at all intersections. Please follow the direction of construction personnel.
- Every effort will be made to reduce the impact to the public.
- Pedestrian traffic will be maintained.
- During boring there will be some limited engine noise.

Marigold Infrastructure Partners is committed to following all City of Edmonton bylaws and regulations and has obtained an overnight road work permit so that work can take place during nighttime hours in order to minimize major daytime traffic disruptions.

*City of Edmonton Bylaw C14600.

The information in this bulletin is current to April 19, 2021. Please note that all dates are approximate and weather-dependent. We thank you for your patience during construction of the Valley Line West LRT project.
